School Cash Online: A few weeks ago, an email from PowerSchool went out letting you know you can register for the RETSD School Cash platform to make online payments for your child for things like student fees. A copy of that document is in your ParentPortal in PowerSchool, under the "forms" sections for your child.

Please note that your School Cash Online account and the information showing in your ParentPortal may not be in sync. The two programs do not automatically update, so it is possible that you may receive an email from School Cash reminding you of your "due/pending payment". If you have already paid your fees, please ignore this notice for now, until we have had a chance to update the system on our end of things. If there are any remaining outstanding payments, you will be contacted by the school directly.

École Neil Campbell School Lunch Program: Registration for the 2026/2027 lunch program is **OVERDUE**. Electronic forms can be accessed [HERE](#) or on the ÉNCS website: [Lunch Program registration forms](#).

Are you retired, a stay-at-home parent, or someone who works shift work?

Neil Campbell Lunch Program is looking for a full-time supervisor to oversee our kids during the lunch hour. Lunch supervision is a fun and rewarding experience, and a great way to get to know our school community! This position pays \$20.50/shift. If you're interested, please email nclunchprogram@gmail.com to sign up today!"

Please remember to send your child with forks and/or spoons for their lunch. The lunch program and the school office do not provide cutlery to students.

Sending Medications to school: Whenever medication is needed at school, a parent/guardian must sign the [Authorization for the Administration of Prescribed Medication to Students form](#) (available online or at the school office). Non-prescribed, over-the-counter medication will not be administered by school personnel and should not be sent with your child(ren) to school. Click on this link for more information if your child(ren) needs to take a [prescribed medication](#) during school hours. The medication must be delivered to the school office in a container that has a label from the pharmacy which has the dispensing instructions noted on it. Please follow this link on [administering medications](#) for more information.

Volunteering at École Neil Campbell School: Updated guidelines have been put in place for the new school year, throughout the River East Transcona School Division (RETSD). Beginning June 1, 2026 all volunteers are required to have clearance obtained by the Human Resources Department of the River East Transcona School Division (RETSD) **before** they are allowed to volunteer during the new school year. Early completion of these requirements will help ensure volunteers are approved and available to support school activities, field trips, extracurricular programs, and classroom initiatives at the start of the school year. More information will be coming soon in a separate communication.

A message from our Parent Advisory Council (P.A.C.):

Hello from your ENCS Parent Advisory Council (PAC),

We hope you enjoyed the summer break! We want to thank you for your incredible support of the past year's fundraisers, events, and activities. Your generosity and participation have made a meaningful difference to our Playground Improvement Project, which remains our current focus. Together we raised over \$16,000 towards our goals! With help from a few grants which we were very grateful to receive, we were able to fund a big playground change you may have noticed... a brand new, accessible swing set!

Our original goal to provide a shade structure has proved to be more challenging due to city permitting requirements. We are still working towards this, but we wanted to ensure that we made progress this year. We hope you and your families enjoy!

We are continuing our goals to improve our playground, which cannot happen without your support. Fundraising activities and events will be starting soon so please keep an eye open for updates here, take home fliers in your child's agenda and by email from neilcampbellpac@gmail.com

Verification Forms: Each year we ask parents sign in to their ParentPortal in PowerSchool to make sure the current year's verification forms are filled out for their child(ren). These forms ensure we have the most up-to-date information, including parent permissions for their child. See the information below for the Vision & Hearing Forms that are **due Wednesday, September 23, 2026**.

A PDF with clickable links is attached to the email for easier access.

IMPORTANT INFORMATION
all forms are now active

Early intervention with vision and hearing difficulties can prevent serious learning and behavioural difficulties from developing. Vision screening is not intended to be a substitute for the vision examination performed by an Optometrist or Ophthalmologist (eye doctor) and glasses will not be prescribed at the screening.

VERIFICATION FORMS

For all students

KEY INFORMATION:

- Online forms are due **September 23** through Powerschool
- Verify we have your current contact information

Ms. Sherby's Grade 1 & 2 class & Mme Davenport's FI Grade 1 class

Rooms 3 & 4 students celebrated International Dot Day this week! It happens every school year on September 15th.

International Dot Day is a global celebration of creativity, courage, and collaboration inspired by Peter H. Reynolds and his famous book, *The Dot*. Our classes performed many fun filled hands-on activities with dots, some included creating their own special dot masterpiece, practicing subitizing with dot cards, and making a celebratory crown. We used an app called Quiver which transformed their 2D circle dot into a 3D sphere. The app was able to animate their circle dots by making it rotate, bounce, spin, and also added magical music. Both classes also were challenged to create a variety of different unique dots using circles which they shared with each other! We hope you can try these different activities at home to have fun as a family.
