Interactive Start - October

Opt-Out and Safety Kits Fundraiser

Today, in your students' backpack they have an opt out fundraising letter and a form to participate in Fundraising with Safety Kits. The opt-out form is also in the link in this e-memo.
Fundraising Opt-Out Letter

50/50 Raffle

Raffle at $140.00 so far!!!
Here is the link for our first fundraiser of the year: https://raffle.link/ejhms.
This year, our primary focus is the Field Enhancement Project for the back field, which is outlined in our ÉJHMS Field Work Plan. Thanks to your ongoing fundraising efforts, we have already made significant progress.
To date, we have addressed several drainage issues, installed a gaga ball pit and a beach volleyball court, purchased new soccer nets (which were installed this week!), and began construction of a bridge along the side of the building.
These improvements are helping to transform our outdoor space. Our next steps are to bring in some shade features to our field. Hoping we can plant some trees and build a pergola. Thank you to our PAC for this initiative.

Student Data Verification Forms

Verification forms are available review and make changes on the Parent Portal. These are due no later than November 1. If a printed copy is required please contact the school office.

GRADE 7 Vision Screening

Students in **Grades 7** will have the opportunity to participate in vision screening in November. We do require a yes or no for all grade 7 students. The screening helps identify possible vision concerns that may affect learning but is not a substitute for a full eye exam.
Consent forms are found online in PowerSchool in the Parent Portal (under forms). If a student is absent on the screening day, a follow-up screening will not be available at school.
