WELCOME AND CALL TO ORDER – Jenna

- Call to Order at 5:31 pm

PRINCIPALS' REPORT – LEIGH STACHNIAK

- Have Remembrance Day Assembly tomorrow November 7 at 10:30 am. Lots of student participation.
- Halloween dance was very successful. Students love it, the DJ was very helpful with keeping the students engaged.
- Volleyball is wrapping up after a successful season. Basketball try out will start before winter break. Thankful that we have enough coaches and do not have to put a call out to the community.
- An email was sent out regarding upcoming report cards. Because of the new school system, the and the parent portal not ready yet, the report cards will be emailed out to families.
- Leigh did a walk through with maintenance. Talks about replacing windows. Bathroom renos will happen over the summer break (not enough time during the winter break)
- Pictures went home with students last Friday. No ID cards came with the packages. Leigh inquired with Edge Imaging, and they are willing to accommodate the request. They even offered to put the students library bar code on it.
