Bannock Fundraiser

May 5 is Red Dress Day. Please see the attached poster if students would like to participate.

Bike Cage Reminders

It has been great to see so many bikes in our bike cage and students being active!

Reminder that bikes still need to be locked up in the cage as the gate is open during lunch and right after school. This week we had a couple students not put their bikes in the cage and left them unlocked. Simple wire locks have been snipped in the past and bikes have been stolen from outside the cage. Thanks for speaking to your child about keeping their bikes safe.
