All adults are welcome to join us on January 20, 2026, to hear Clayton Sandy speak about Truth and Reconciliation. He is a respected knowledge keeper, cultural advisor, and community activist who's spent his working life educating generations of non-Indigenous people in the province about the history of Indigenous people in this country. His home community is Sioux Valley Dakota First Nation. He has had the opportunity to work in many provincial government departments, including Natural Resources, Energy and Mines, Labour, Civil Service Commission, Family Services, and Education and Training. Clayton will present for 90 minutes and then have a question-and-answer session for 30 minutes. See you in the library in the new year!
