Pick Up and Drop Off: Concerning Information

The Property Manager of the shopping center next door to us is having increasing issues with parents picking up their children in their parking lot. Tenants are not able to find parking, which has resulted in some being late for appointments. There have been some incidents of aggressive behaviour, and someone was hit intentionally with a car. They have also reported near misses of children being hit by cars as students are walking between vehicles.

As of Monday, the property manager will be implementing security to oversee their parking lot. They will be redirecting parents from the property who attempt to park.

If you must pick up your child, please arrange a meeting spot a few blocks away to minimize traffic. Please avoid Brazier as there is no stopping due to school bus loading. The best solution is to have your student walk or take the bus.

Thanks for your co-operation.
