

E-Memo June 21, 2024

Activity Day

Reminder that Tuesday is Activity Day. Every student has signed for an activity. Some are here at the school, and some are out and about and require permission forms. Activities with permission forms will have instructions for transportation arrangements and equipment required.

Report Cards

Report cards will be available on the Parent Portal Monday afternoon. Please reach out to your child's teacher if you have any questions. Reminder that our current Parent Portal will not exist after July 31.

Next Year Class Placements

Our incoming grade 6 & 7 students can find their next years homeroom teacher in the Personal Social Comment on the report card. Our incoming grade 8 students can find their homeroom teacher in the ELA section of the report card.

Due to our new information system, we will not be making any class changes. The grade level teams, along with specialist teachers, student services personnel, and administration work together to create socially and academically appropriate class groupings. For students transferring or transitioning from other schools, we also consult the student's current school staff regarding best learning environments for students. Many factors are taken into consideration in an attempt to ensure the best placement for each student and to balance classes.

School Items at Home?

Please remind your students to have a look around home for jerseys and library books that need returning.

Deanna Michaleski and Leigh Stachniak
