Outdoor Run Club

Outdoor Run Club will be offered to all grades this spring! Practices will take place every Tuesday and Thursday, starting April 8. Sessions will run from 3:30 PM to 5:00 PM, and students will be running outside in the area around the school. Please ensure your child is dressed appropriately for the weather and brings a water bottle to stay hydrated. If your child is interested in joining, please see Mme Lozar for a registration form.

Basketball

A huge congratulations to our basketball teams as their seasons officially came to an end a few weeks ago! A special thanks to our coaches who volunteered their time to make it all possible.

Badminton

We've been excited to have 80 Grade 7's and 60 Grade 8's come out to play badminton over the last few weeks! While we had to narrow the group down to 4-5 players per category, we're happy that everyone had the opportunity to practice and improve. Practices for those selected will continue after the break, and intramural opportunities will still be available for

all others. If you have any questions, please reach out to coaches Ms. Kauk (Grade 7) at tkauk@retsd.mb.ca or Mr. Holland (Grade 8) at jholland@retsd.mb.ca

Indoor Soccer Tournament

Sixty Grade 7 and 8 students had the opportunity this week to participate in a divisional indoor soccer tournament at Leila Soccer Complex. They demonstrated great teamwork, sportsmanship, and effort, and we couldn't be prouder of how they represented the school!

Fundraising

GlenLea Plant Fundraiser is now open click on the link for information on placing an order. (ENDS TUESDAY, APRIL 15) [GlenLea Fundraiser Information](#)

Field Redevelopment Help Needed

As we move to the next phase of our field redevelopment, we need some help with grant writing and finding. The plans for our new field design are posted in the front entrance of the school if you are wondering what the fundraising is going towards. You are welcome to come and have a look. Please email Leslie Dent at leslieddent@gmail.com if you are interested in helping. She is a parent at our school and has been volunteering her time to help this project along.

Bicycle Tune Ups

For the month of April, Mr. Enns will be running "Bicycle Repair" for Interactive start, where students will learn the basics of bike maintenance. Do you have a bike or multiple bikes that need a tune up before spring hits?

Email Mr. Enns lenns3@retsd.mb.ca to coordinate a drop off of your bike(s). Bikes will be stored in the wood shop while they are being worked on. Summer is just around the corner!
