

## **E-Memo March 6, 2026**

### **Friendly Reminder - Head Lice**

Head lice are common among school-aged children, and we would like to remind families to check your child's hair regularly for head lice, especially behind the ears and at the nape of the neck. Manitoba Health advises that students can continue to attend school, as lice spread mainly through direct head-to-head contact. If you find live lice, begin treatment promptly using an approved product and follow the instructions carefully. It's also a good idea to check all household members.

Thank you for helping keep our school community healthy and informed!

A [Head Lice Fact Sheet](#) is available on the Manitoba Health website. It provides information about head lice, how to detect it, and how it can be treated.

### **Technology Reminders**

We would like to remind everyone that, in accordance with the provincial government's mandate, students are not permitted to use cell phones or personal electronic devices that connect to the internet during the school day. Our goal is to support a focused, safe, and distraction-free learning environment for all students. If you need to contact your child during the day, please reach out through the school office, and we will ensure they receive the message.

Thank you for your cooperation and partnership as we work together to support student learning and well-being.

### **Registrations**

All high school and middle years registration packages are now overdue, please get them in as soon as possible.

### **50/50 Draw**

To continue to work on the next phases of our field re-development our PAC is holding a 50/50. Some new soccer nets and hopefully a pergola are in our future. Draw date is March 13, just in time to maybe make your spring break a little more fun!
