

## **E-Memo November 10, 2023**

The staff would like to thank our PAC for the treats left in our staffroom Monday morning! The thoughtful surprise made a great start to the week.

### **Esports - Rocket League**

For the A division and AA division teams, yesterday was the wild card tournament for a last chance to qualify for the Provincials. In the AA division, congratulations to the Red Teams for continuing their undefeated season by qualifying for the Provincials by going 2-0 on the night. In the A division, the Pink Teams automatically qualified for the provincials. Unfortunately, our Blue Teams met some very stiff competition and did not qualify for the provincial tournament, going 1-2.

In the AAA provincials, congratulations to the Black Teams and the White Teams on their rocket league games last night. JH Black Teams handedly won both of their matches and will be playing on Thursday, November 16 in the upper bracket finals and are guaranteed a top 3 finish in the province! Watch it here live on this professionally done twitch stream by the charity organization Extralife: [ExtraLifeWPG - Twitch](#)

The White Teams fought valiantly but fell in yesterday's first round of the provincial. They finished in 5th place in the province!
