

## **E-Memo November 3, 2023**

Merçi to our students and our community. It was wonderful to see so many families here for our student led conferences. Please know at any point in the year if you have concerns or would like to hear about your student's learning, please reach out to your student's teacher.

### **Interactive Start**

Please see the attached document for the interactive start activities offered in November.

### **Yearbooks**

There are 10 copies of the 2022-2023 school yearbook available for purchase. If you would like one, please send a cheque or cash in the amount of \$30.00. They are available on a first come, first serve basis. Please contact Mme Lothian [clothian@retsd.mb.ca](mailto:clothian@retsd.mb.ca) if you have any questions.

### **Attendance**

Attendance is essential for student learning. According to Manitoba Education, "Being present in class is a strong predictor of student success. Going to school regularly helps children and youth do well academically, feel better about themselves, develop healthy lifestyle habits, avoid unsafe behaviours, and graduate from high school."

\*We encourage families to plan vacations during our school closure times. We are not able to support students who take extended absences with online support.

\*We will be communicating with families if students are not attending regularly. We are here to support and encourage students to be in class and engaged in their learning.

Families have a crucial role in supporting student regular attendance. Please contact your child's teacher if you have any concerns.
