11:40am-12:05pm-Student Lunch

12:05-12:40pm-Students go outside or to extra-curricular activities

3:25pm-Dismissal bell-students will be dismissed from their designated door

Electronic Devices in Schools

This is a reminder of the cell phone guidelines established by the Manitoba Government. These guidelines refer to any personal devices that can be used to connect to the internet (e.g., smartwatches, tablets, cell phones, laptops).

As a reminder:

- Schools with Kindergarten to Grade 8 students are personal electronic device-free zones.
- Students in Grades 9-12 are allowed to use their personal electronic devices for instructional purposes in class when directed by a teacher, and during breaks and lunch.
- Staff model responsible personal electronic device use for students by thoughtfully limiting personal electronic device use in the learning environment to school-related matters.

Manitoba Education and Training has published Frequently Asked Questions (FAQ) regarding the Cell Phone Guidelines. Please visit their website for more information.

Teaching and learning about being a responsible digital citizen continue in all grades and classes. Our schools have access to a variety of technology that support students in being creators, designers, and critical thinkers.

As partners in your children's education, the conversations that you have at home are crucial in that teaching and learning.

Here are some resources that may be helpful.

MediaSmarts: Helping Kids Get a Health Start with Phones

MediaSmarts: Helping Young Kids Get a Healthy Start with Devices

RETSO TV Healthy Cellphone Use

Please contact the school if you have any questions about the guidelines.

Digital Verification Form

It is very important to complete the digital verification form through the parent portal to ensure all your students information, including contact information, is as up to date as possible.

Guidance for use of the parent portal as well as specific help for filling out digital forms can be found on our divisional website under Parents & Students, PowerSchool Parent Portal.
