Parents/guardian permission is assumed unless the Opt-out Form is completed.

If you wish to Opt-out of the Media Coverage & Copyright for your child(ren) the form is available on our school website under Documents and Forms, Registration and Supply Lists. Please complete the form and submit it to the office and the information will be updated.

Attendance - Recap

Showing up to school each day and on time has a huge impact on student success and well-being. Even as children grow older and become more independent, families play an important role in creating routines to make sure students get to school every day.

Each absence is a lost opportunity for learning and for engaging with peers. It does not matter if the absence is excused or unexcused. When a student misses as little as two days each month, that is 10 per cent of the school year! We know that students who attend regularly are more likely to graduate, stay engaged, and have a successful future.

What can you do?

- Talk to your child about the importance of going to school every day.
- Avoid scheduling medical/dental appointments and trips during school hours.
- Set a regular bedtime and morning routine.
- Put out clothing, pack lunches, and fill backpacks the night before.
- Keep in mind that complaints like stomach aches or headaches can be a sign of anxiety and not a reason to stay at home. If you have concerns, please talk to the classroom teacher, guidance counsellor or principal.
- Develop backup plans for getting to school if something comes up.

If your student is going to be away from school please call the Radisson School office at 204-958-6591 and leave a message regarding the absence. There is a 24-hr voice messaging system.

Kindergarten Drop off/Pick up

To assist our new Kindergarten students with establishing daily routines we kindly ask that you meet Ms. Wawryk outside in the morning and at the end of the day for drop off and pick up. When dropping off your child late for school please check in at the office and our Secretary will call a classroom helper to meet your child at the office.

We thank you for helping your child during the first few weeks to get settled into school.
