**November 3, 2025**

The dates are as follows: November 18<sup>th</sup> (Grades 4 & 7), November 19<sup>th</sup> (Grades 2 & 6) and November 20<sup>th</sup> (Grades 3, 5 & 8). ## Koats for Kids

From November 3<sup>rd</sup> to 21<sup>st</sup>, Mme. Dufault's class will be collecting new or lightly used winter clothing for kids in need.

Please bring winter coats, mittens, scarves, gloves and ski pants to Room 213. Thank you for your donations to this important cause!

## Grade 7 & 8 Option Classes – Band and Art

We are now past the deadline for students to switch option classes. Staffing and scheduling were finalized in the spring, and changes are no longer possible. It's important that students remain in their chosen options through to the end of the school year. Thank you for your understanding and support.

## Data Verification Forms

This year we are excited to introduce some changes for school start up. Normally at this time your students would be bringing home a paper copy of our data verification form to ensure all of your students contact information is as up to date as possible. This year we will be making these forms available to you digitally on the parent portal.

If you have not done so already, please login to the parent portal and complete this form at your earliest convenience. Thank you.

## Learning Buddy Classes

We're excited to share that our Learning Buddy Classes are now underway! Older and younger classes have been paired together and will meet monthly to engage in fun and meaningful learning activities. These connections help build community, foster leadership, and create joyful learning experiences for all students. We're already seeing the positive impact!

## Halloween Spirit Week

Last week was filled with spooky fun and school spirit! Our Grade 8 band students wowed us with their Halloween Music Carnival, performing themed songs and hosting a spooktacular event for all. Grade 6 students dove into creative STEAM activities, while Grades 7 and 8 danced the afternoon away at our Halloween school dance, created themed artwork and played board games. A special shout-out to our Grade 8 Leadership team for designing a thrilling haunted house experience for our younger students. Thank you to everyone who helped make this week unforgettable!
