Attendees: Mike Fuellbrandt, Pam Alexander, Krista Stephenson, Tannis Ziprick, Daisy Russell, Stacey Kinoshita

Regrets:

- Call to Order @ 5:30 PM

- Coordinator Report
 - 8 Supervisors are for sure returning, 4 are on the fence, 2 are not returning
 - We have 3 casuals currently

- Treasurer Report
 - Audit is complete for 2019-2020
 - Our current balance is \$8,524.47 less \$280.00 that will come out for audit

- Admin Report
 - There will be three groups of cohorts during the lunch hour and there is an explanation in the Welcoming Students Back Plan on the ESHS website. They will have a combination of 20 minutes eating, 20 minutes outside, 20 minutes of activity (or more eating time if needed).
 - We have decided to wait to gather information on number of students and how things go the first couple weeks of school to determine if we need to hire more supervisors or increase the fee. We will meet on Sept 16 on Teams to make these decisions.
 - The package for parents will be sent home Sept 21 and will be due back Sept 28.

- New Business
 - Stacey will get masks, hand sanitizer, and whistles for the supervisors. They have their own vests that they will use.
 - As there will be two members of the committee leaving after June 2021, Mike will give an email to Sandy at the school office to send to parents asking for members to join the committee.

- Future Meeting date: Sept 16, 2020 on Teams

Meeting adjourned @ 7:10 pm
