The login information may not be accurate or there might be some other issues with the accounts in your student's school. Contact your student's teacher or school district with questions.

2. My student's assignments are missing.

Check the **Assignments** tab. If you don't see any assignments, have your student email the teacher.

3. My student missed a class —what now?

The screenshot shows a Microsoft Teams chat window for a team named "Ms. T's 5th Grade Class". The interface includes a search bar at the top, a navigation pane on the left with options like Activity, Teams, Assignments, Calendar, and Files, and a main chat area. The chat area displays several messages: a "View assignment" button, a "Poetry Unit 1, Quiz #1" assignment due on Sep 25, and a meeting recording titled "Poetry Unit Introduction: Elements of Poetry" scheduled for Thursday, October 1, 2020, at 1:00 PM. 4. What if I have more than one student using Teams on one device?

Each student is able to log in to their own Teams account with their unique username and password.

When one student is done with their Teams work, click on their icon in the top-right corner and select **Sign out**. The next student can then log in.

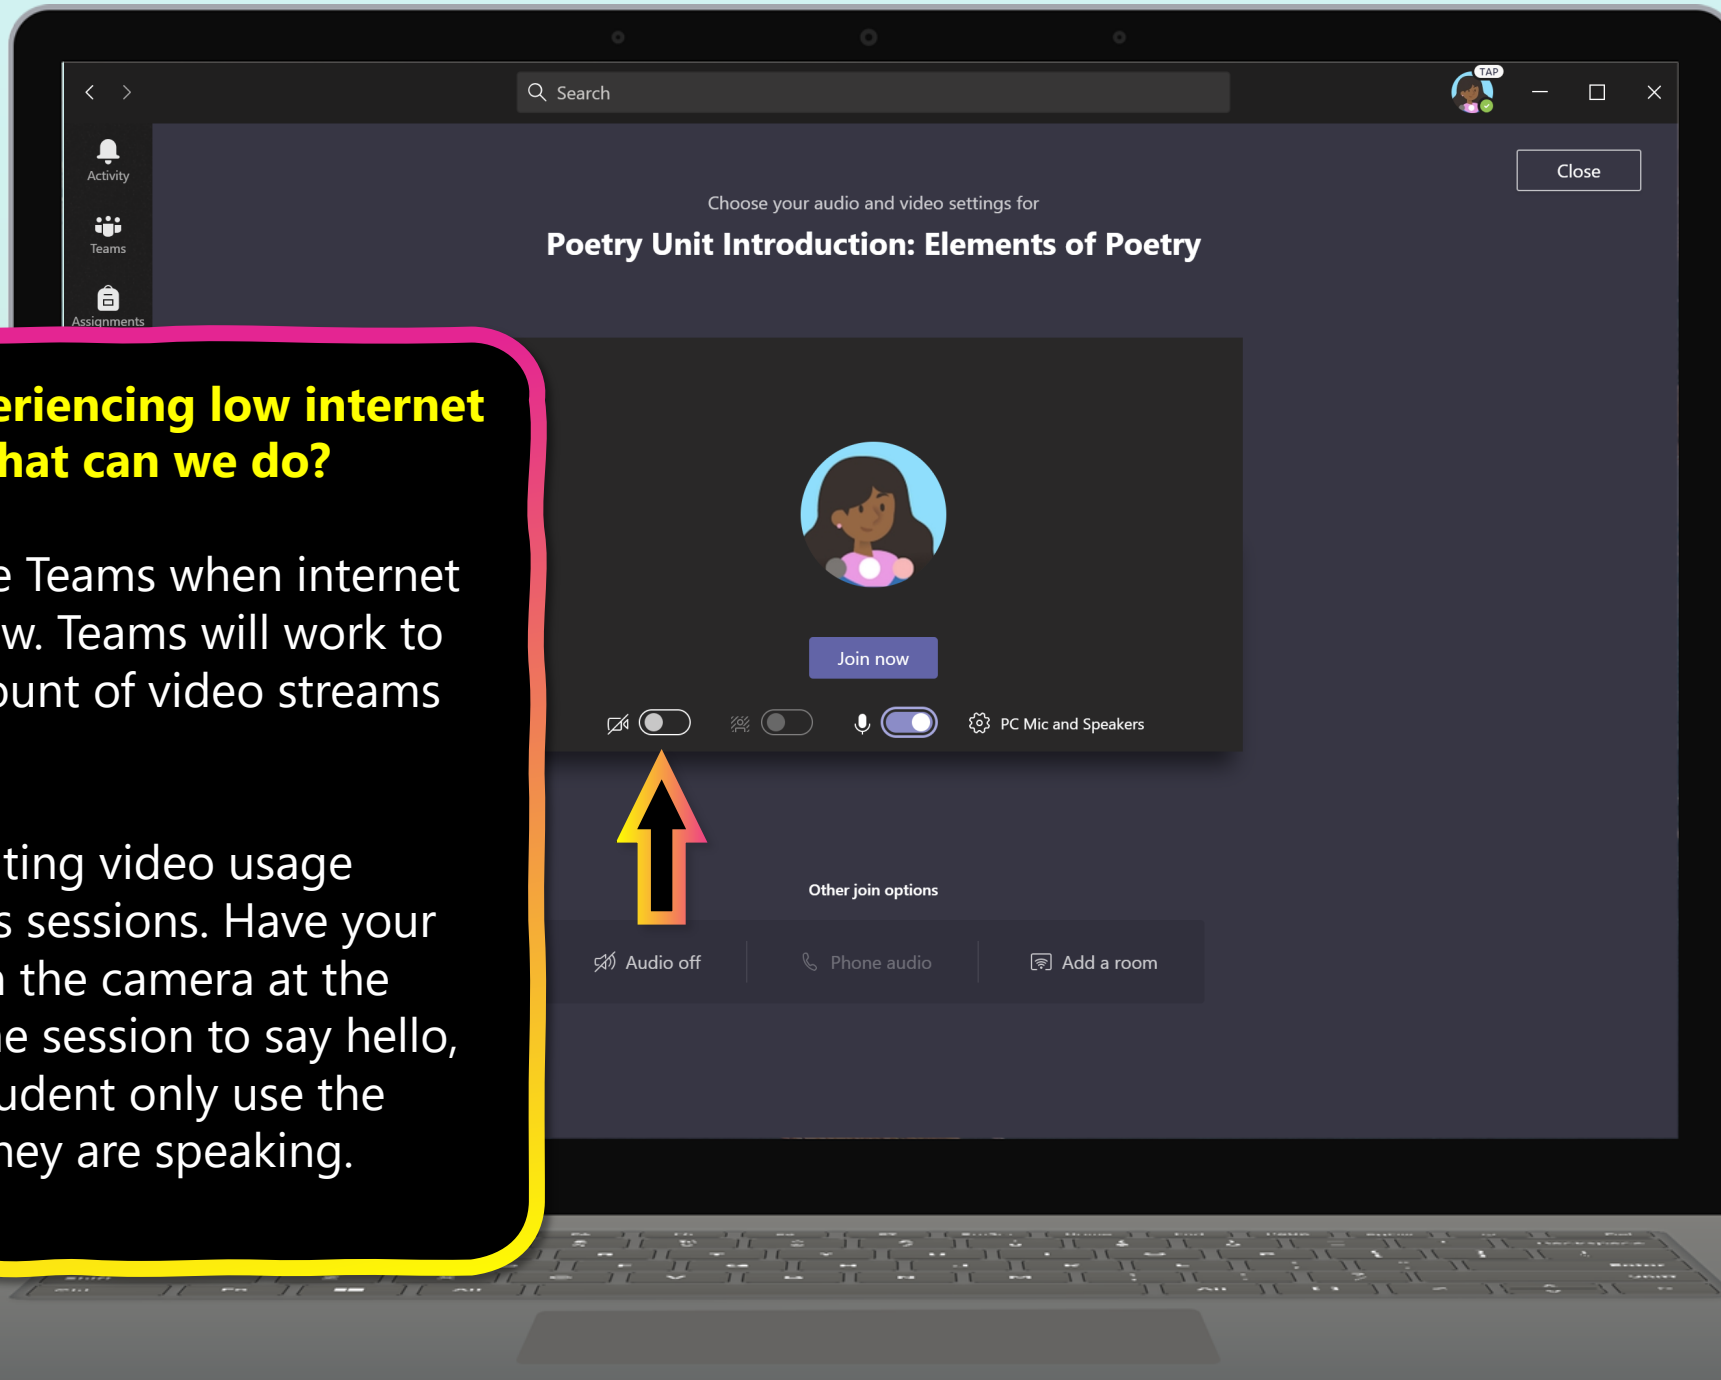

You can also create multiple accounts (also called profiles) in the new Edge browser.

5. We are experiencing low internet bandwidth. What can we do?

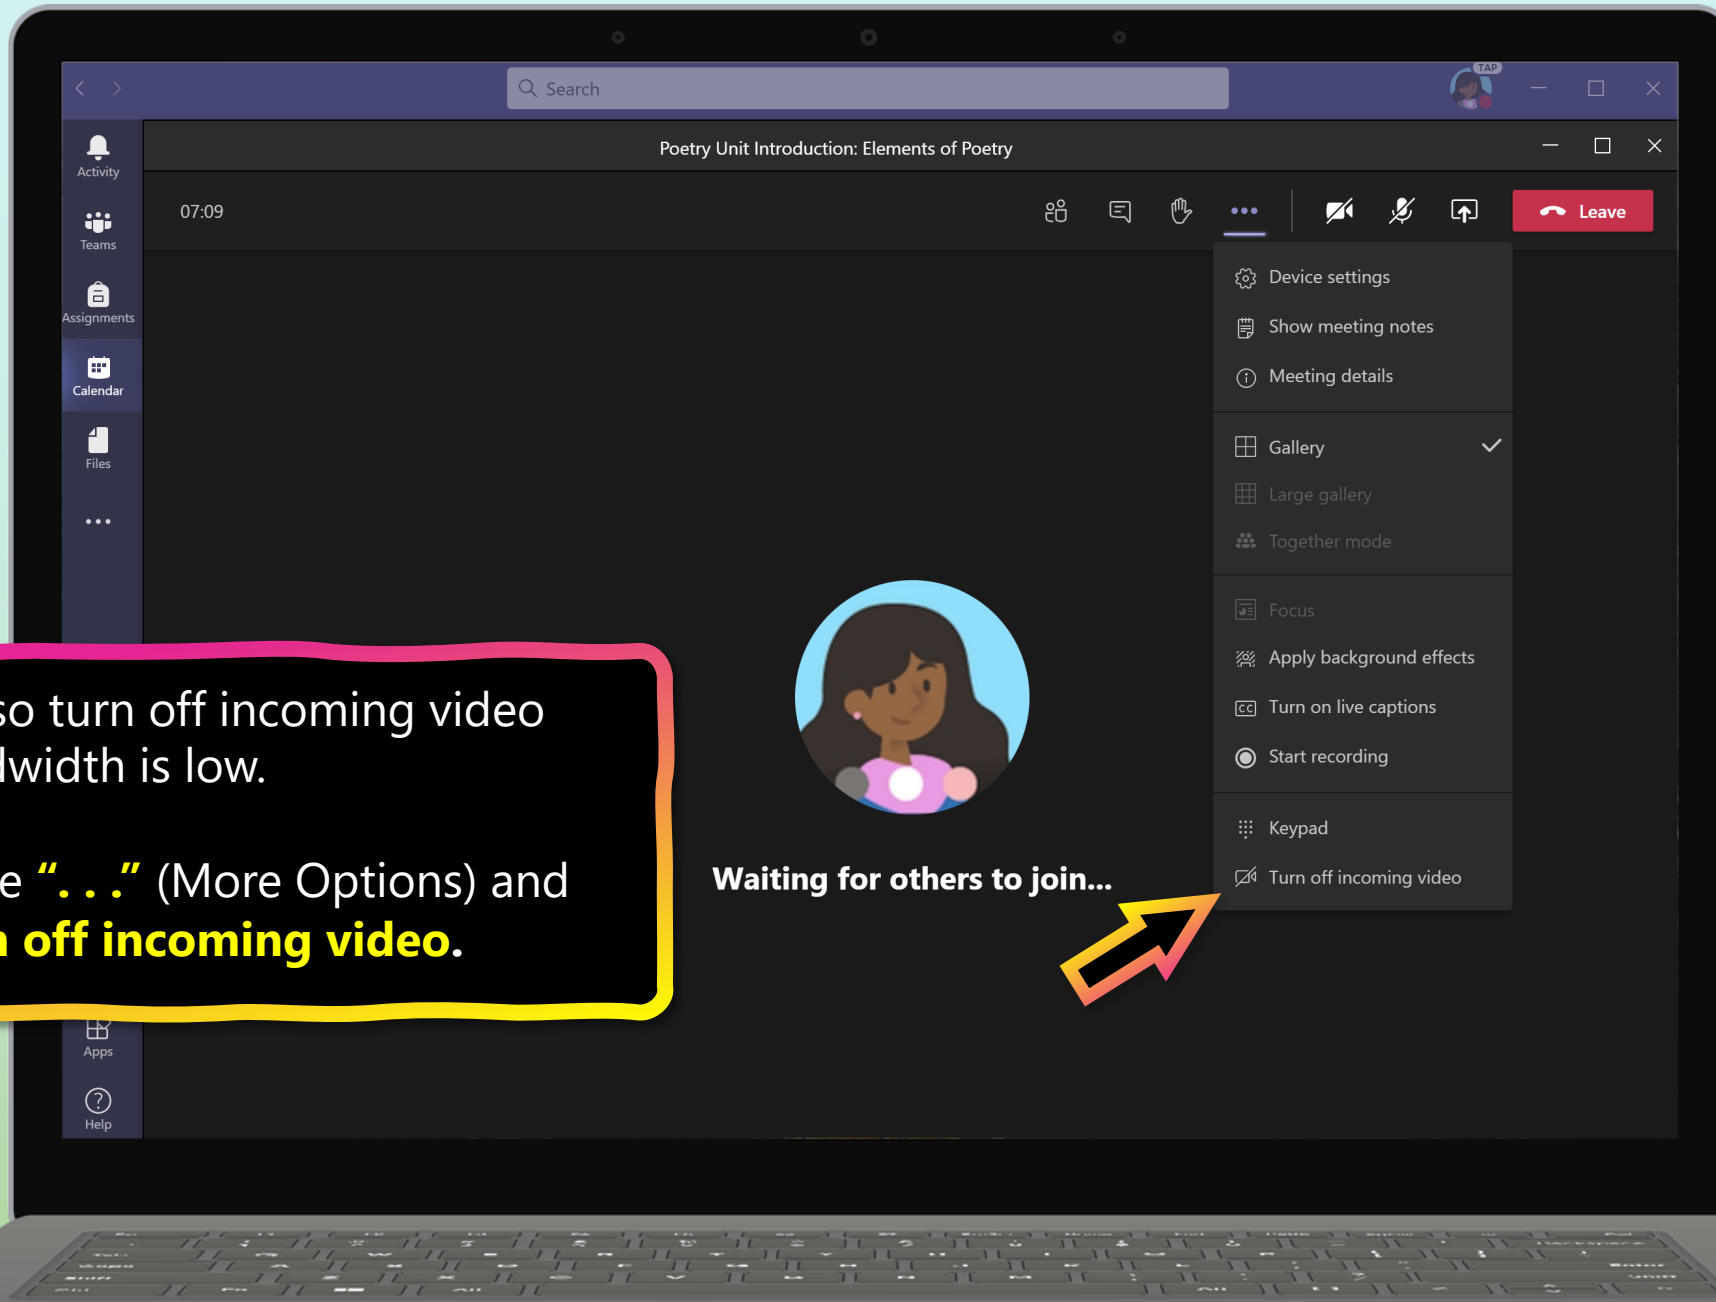

You can still use Teams when internet bandwidth is low. Teams will work to reduce the amount of video streams automatically.

You can try limiting video usage during live class sessions. Have your student turn on the camera at the beginning of the session to say hello, or have your student only use the camera when they are speaking.

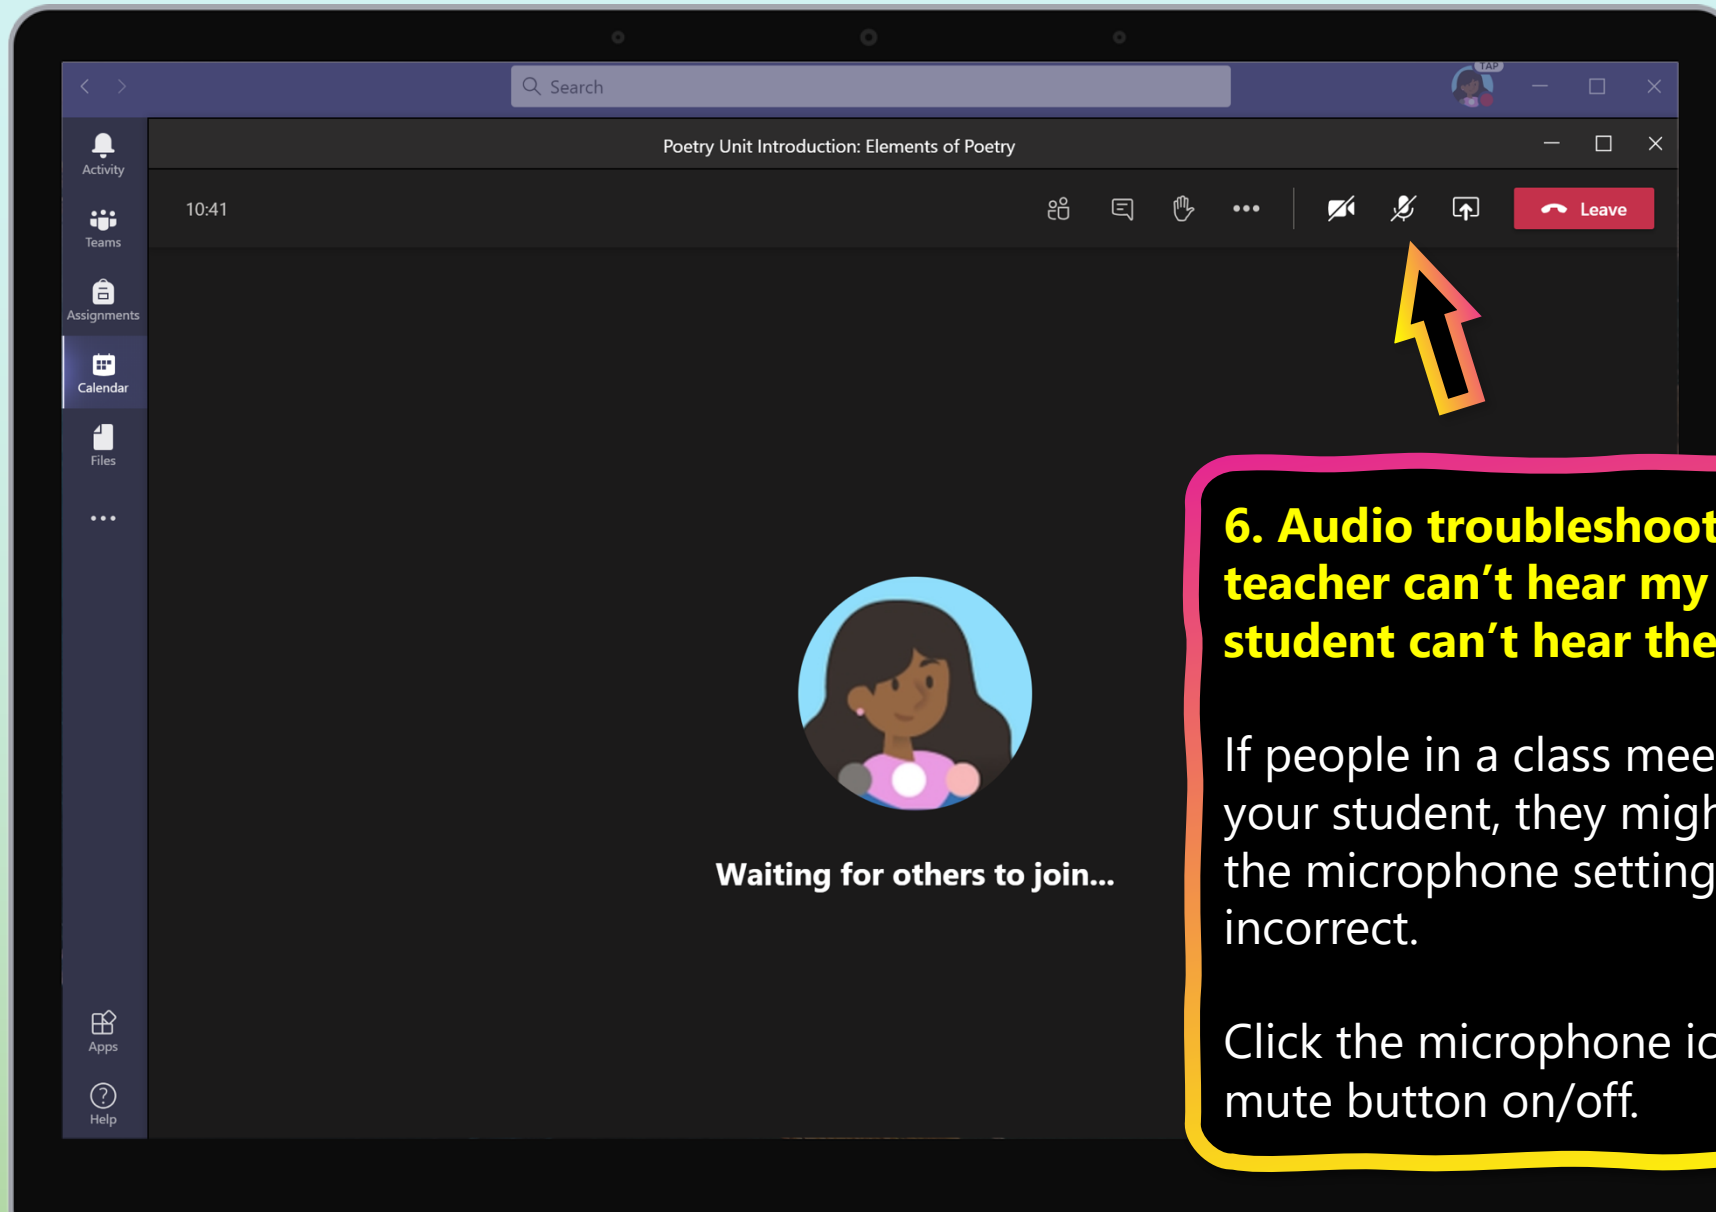

You can also turn off incoming video when bandwidth is low.

Click on the "... " (More Options) and select **Turn off incoming video**.
