

January 15, 2025

Dear Parents/Guardians,

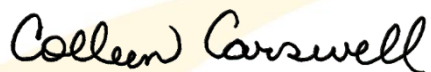

We are writing to inform you of the plan to reconfigure catchment boundaries for French Immersion milieu schools east of Lagimodière Blvd. This plan began in 2016, because of a review of current and projected student enrolment in French Immersion at École Centrale, École Margaret-Underhill, and École Regent Park.

The Board of Trustees has shared with parents a short-term goal to establish École Centrale and École Margaret-Underhill as Kindergarten to grade 5 schools and École Regent Park as a Kindergarten to grade 8 school. The long-term plan also includes continued work with the Province of Manitoba to build a new school. The unprecedented growth across River East Transcona School Division schools has resulted in many reconfigurations as we wait for a much needed new school. The board will continue to keep parents informed as planning progresses in that regard.

This letter is for your information and does not directly impact your child(ren) for their upcoming Kindergarten year. The boundaries may impact your child(ren) in upcoming grades. Please refer to the attached map for the boundary lines.

If you have any questions regarding your specific situation, please reach out to the principal of the school your child(ren) will be attending for Kindergarten.

Sincerely,

Colleen Carswell
Chair, Board of Trustees

Sandra Herbst
Superintendent/CEO

Dear Parents/Legal Guardians,

Vaccines have been shown to be a safe and effective way of protecting children from diseases. It can also protect other persons who cannot be immunized due to certain health conditions. It is thus very important to make sure that your child is up to date with their immunizations.

We strongly recommend that children between 4 and 6 years of age receive the following immunizations:

Vaccine name	
Measles, mumps, rubella and varicella vaccine (MMRV vaccine)	Preschool
Diphtheria, tetanus, pertussis and polio vaccine (DTaP-IPV vaccine)	Preschool

Please check your child's immunization records to see if your child is up to date. You can visit the Manitoba Health website to know more about routine immunizations for infants and children (<https://www.gov.mb.ca/health/publichealth/cdc/div/schedules.html>). You can also discuss this with your primary care provider.

If your child needs immunizations, your primary care provider (family physician or pediatrician), a walk-in doctor, a nurse practitioner or a public health nurse can provide them.

If you do not have a copy of your child's immunization record, you can call the WRHA immunization records request line at **(204) 938-5347**.

If you are new to Manitoba, you can provide a copy of your child's immunization records to your local public health office **or** you can submit directly online at: <https://forms.gov.mb.ca/immunization-update-request/>. These records will be entered in the Manitoba immunization registry.

If you have questions or do not have access to a health care provider to immunize your child, please call your local public health office at **204 938-5365**.
