

TUTORING OF STUDENTS

1. A staff member shall not tutor a student for personal financial gain if the student is enrolled in the school in which the staff member is serving; except in the case of authorized programs and/or course approved by the Superintendent's Department (e.g. driving training, continuing education).
2. A clinician shall not provide private practice services to a student enrolled in a school in the Division to which the clinician provides service.
3. External organizations will not provide tutoring to students during the instructional school day unless such tutoring is supportive of divisional programming and approved by the Superintendent's department.
