Mr. Ted Stoesz
Principal
John Pritchard School
1490 Henderson Highway
Winnipeg, MB R2G 1N5

Dear Mr. Stoesz,

Please accept this letter on behalf of Good Neighbours Active Living Centre (GNALC) in full support of your proposal to receive funding to purchase and install a digital sign reader board.

This type of sign on Henderson Highway, a major thoroughfare, would be of great benefit to community organizations like GNALC which are always seeking ways to advertise upcoming programs and events. As River East has the highest number of older adults in the city, this digital sign reader board could let this population know about opportunities that would directly impact their health and well-being. As GNALC partners with organizations of all age groups, we are aware that there are many other groups that would benefit from this initiative.

GNALC is most appreciative of John Pritchard School's sense of community by reaching out to others in this endeavor. Clearly, this school is supporting an inclusive and more connected community.

It is our sincere hope that your proposal will be successful. We look forward to a long and positive working relationship with John Pritchard School.

Sincerely,

Susan Sader
Executive Director
