Dear Future Grade Seven and Eight Families,

It is that time of year when we start to think about planning for next year. To make that happen we require you and your student to fill out the registration form for next year. Completed forms are due back no later than March 1, 2024 and will be in your child's backpack today.

Please consider the options on the form carefully as there will be no changes once forms are received. This will allow us to create optimal learning environments and structure staff accordingly.

For the 2024-2025 school year students will be in either Human Ecology - Foods, Human Ecology - Clothing, Manufacturing - Woods or Outdoor Education. Each term the school will place students in a new course so that they receive the experience of three of the above classes throughout the year.

Please note that due to our current school and projected enrollment, École John Henderson Middle School is closed to School of Choice applications. If your child is currently in French Immersion and is thinking of switching to English, they would need to attend their catchment school. If you need more assistance or have questions about this, please don't hesitate to reach out to your child's teacher.

If you know of any new students or families attending our school next year, please share that we are hosting a drop in Open House on February 15 from 4:30p.m. to 6:30p.m. Families can visit and will have the opportunity to ask staff questions.

Attached you will find an application form for transportation. If you are in grade 7 and/or 8 and live outside the perimeter you will qualify for busing. Please fill out the attached form. Transportation forms need to be filled out every year.

Reminder that the division has two policies regarding technology use and media release. Permission is in place unless families decide to opt out. Please see these policies below and if you would like your child to opt out, please go to our website at [École John Henderson Middle School](http://www.jh.retsd.mb.ca) – click on Documents & Forms, there you will find the Technology Opt Out Form. Hard copies can be requested by contacting the school.

Technology Use: [Policy IJND](#), and Policy Form [IJND-E1](#)

Media Release: [Policy KDDB](#) and Policy Form [KDDB-E1](#)

Transition times can be unsettling for many students and families. If we can help in any way or if you have any questions, please don't hesitate to reach out.

Sincerely,

Leigh Stachniak Whalen
Principal

PARENTAL INFORMED CONSENT FOR OUT OF SCHOOL ACTIVITIES IN THE LOCAL COMMUNITY

Dear Parent/Guardian,

The purpose of this letter is to inform you about some of the out-of-school activities or events in the local school community in which your child will participate during the course of the 2024-2025 school year. Your signature at the bottom of this form confirms that you are aware of the information provided in this letter.

The River East Transcona School Division and the staff of École John Henderson Middle School recognize valuable and unique learning can take place outside of the school building. We are therefore encouraged to make use of the resources of the local community to meet curriculum goals.

During the course of the school year, student groups will engage in activities within the local community that take them out of school buildings. These activities may include but are not limited to activities and events such as the Terry Fox Walk, taking a class to a nearby park, or Physical Education class.

The risk of injury exists in student activity. However, due to the very nature of some activities, the risk of injury may increase. The safety and well being of students is a prime concern and every effort is made to minimize the foreseeable risks inherent in any activity.

While participating in school activities which may take them into the community, it is expected that students will conduct themselves appropriately during all aspects of schooling.

If, for some reason, your child cannot participate in activities of this nature, contact the school at 204-661-2503.

I / We understand and agree that this is a part of the school program. I/We also understand that as a result of participating in this program that the participant is expected to follow the school procedures and code of conduct and that any deviations from these may result in consequences from the school administration.

I / We declare having read and understood the above INFORMED CONSENT AGREEMENT in its entirety and hereby consent to participate being aware of all the foregoing.

Dear Parent/Guardian:

As outlined in the Physical Education/Health Education curriculum, from Manitoba Education and Advanced Learning, your student will be receiving information in the following potentially sensitive content in Grade 7, in the upcoming 2024 - 2025 school year.

- Safety (Personal Safety)
- Healthy Lifestyle Practices (Substance Use and Abuse Prevention, Human Sexuality)

Parents should be aware that the curriculum is developmental and age appropriate.

Grade 6 and 8 are building years where the students work on their decision making and problem solving skills.

The teachers of River East Transcona School Division have received training from the division and community agencies to ensure delivery of content with respect, sensitivity and thoughtfulness.

Parents have the option to choose a school based or an alternate delivery for potentially sensitive content. Alternative delivery of potentially sensitive content is the responsibility of the parent (i.e., home, professional counseling) where the content is in conflict with family, religious or cultural values. Curriculum materials are available in the school library or at the following website: www.edu.gov.mb.ca/k12/cur/physhlth.

Please complete the attached form and return it with your child's completed registration package.

Sincerely,

L. Stachniak Whalen
