January 22, 2026

Dear Parents/Guardians,

We are writing to update you on the status of the catchment boundaries for French Immersion schools east of Lagimodière Blvd.

This plan began in 2016, because of a review of current and projected student enrolment at École Centrale, École Margaret Underhill, and École Regent Park. The unprecedented and rapid growth in the Transcona area has required a yearly review and monitoring of the enrolment of the schools.

The Board of Trustees has shared the goal to establish École Centrale and École Margaret Underhill as Kindergarten to Grade 5 schools and École Regent Park as a kindergarten to grade 8 school.

École Regent Park is currently only able to accommodate grades 2-8. This configuration will be maintained for the 2026-2027 school year, while the Board continues to monitor catchment boundaries.

For September 2026, current grade 1 students will attend the school for grade 2, based on the reconfigured boundary changes which included grade 2 at École Regent Park.

This letter is for your information and does not impact your child(ren) for their upcoming kindergarten year. The boundaries may impact your child(ren) in upcoming grades. Please refer to the attached map for the boundary lines.

If you have any questions regarding your specific situation, please reach out to me at the school.

Sincerely,

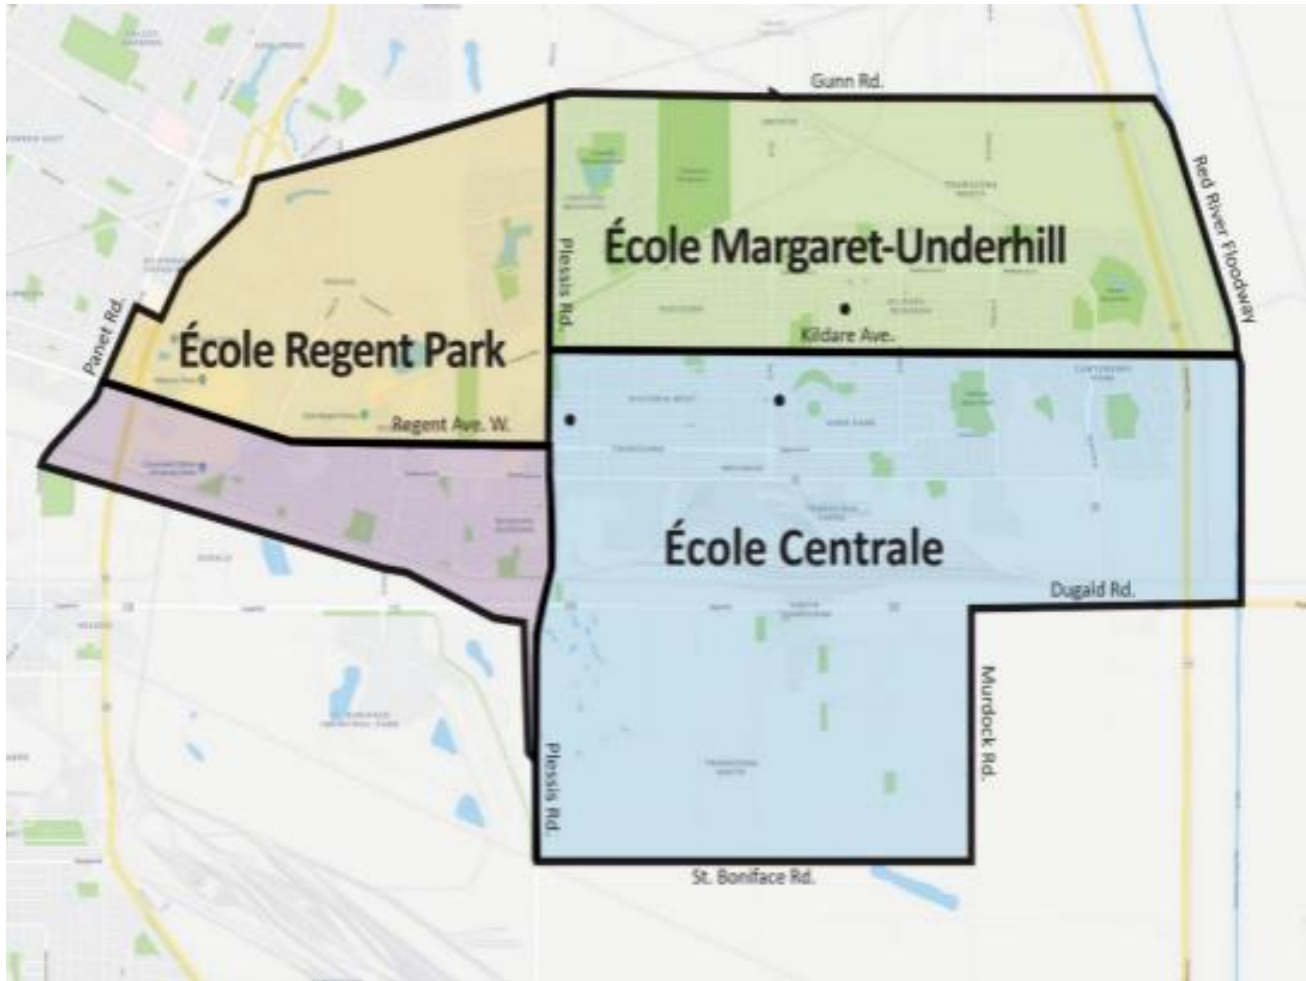

Michelle Williams
Directrice / Principal

January 2026,

Dear Parents/Legal Guardians,

Vaccines have been shown to be a safe and effective way of protecting children from diseases. It can also protect other persons who cannot be immunized due to certain health conditions. It is thus very important to make sure that your child is up to date with their immunizations.

We strongly recommend that children between 4 and 6 years of age receive the following immunizations:

Vaccine name	
Measles, mumps, rubella and varicella vaccine (MMRV vaccine)	Preschool
Diphtheria, tetanus, pertussis and polio vaccine (DTaP-IPV vaccine)	Preschool

Please check your child's immunization records to see if your child is up to date. You can visit the Manitoba Health website to know more about routine immunizations for infants and children (<https://www.gov.mb.ca/health/publichealth/cdc/div/schedules.html>). You can also discuss this with your primary care provider.

If your child needs immunizations, your primary care provider (family physician or pediatrician), a walk-in doctor, a nurse practitioner or a public health nurse can provide them.

If you do not have a copy of your child's immunization record, you can call the WRHA immunization records request line at **(204) 938-5347** or online at <https://forms.gov.mb.ca/immunization-update-request/> (select *Complete Immunization Record*).

If you are new to Manitoba, you can provide a copy of your child's immunization records to your local public health office or you can submit directly online at: <https://forms.gov.mb.ca/immunization-update-request/>. These records will be entered in the Manitoba immunization registry.

If you have questions or do not have access to a health care provider to immunize your child, please call your local public health office at **204 938.5365**.

Sincerely,

Please note that:

- In line with École Centrale's support of the use of WOW Butter in the school for student lunches, please remember that all sandwiches made with WOW Butter must be in a plastic container / bag with the WOW Butter sticker attached.
