Kindergarten Registration

If your child, or a child you know was born in the year **2021**, they will start Kindergarten in September. Please register your child as soon as possible - registration forms are online at www.retsd.mb.ca/hamp and or can be picked up at the office. If you would like a registration package sent home with a student currently at Hampstead School, please let the office know and we will be happy to send one home (email hamp@retsdb.ca). More information is on our kindergarten flyer attached.

Meals2Go

We are very excited and grateful to have a new program at Hampstead School called Meals2Go. All students in attendance will be bringing home a free Meals2Go kit every Friday (or Thursday if there is no school on a Friday). Please make sure to check your student's backpacks on Fridays after school! More information on the program is below.

Hampstead Lunch Program

We are looking for daily and casual lunch supervisors! Please see the flyer on the next pages, and email hampsteadlunchprogram@outlook.com if you're interested in joining our amazing team!

RETSD Career Fair

Date: Thursday, April 23, 2026

Time: 4:30 PM – 8:30 PM

Location: Murdoch MacKay Collegiate, 260 Redonda St.

The Divisional Career Development Leadership Group is excited to welcome **students, families, and community members** of all ages to the 2nd Annual RETSD Career Fair. This event is a fantastic opportunity for students and families to explore career pathways together, connect directly with industry partners, post-secondary institutions, and community supports, and engage in meaningful career conversations.

To support access and participation, a **free community shuttle service will be available from KEC**, Miles Macdonell Collegiate, and REC, making it easier for students, families, and community members to attend. Buses will depart from each school at 4:45pm, 5:45pm and 6:45pm and the last bus will depart the career fair at 7:30pm

RBC will be on site providing mock interviews, offering students the chance to practice interview skills, build confidence, and prepare for future employment opportunities in a supportive environment.

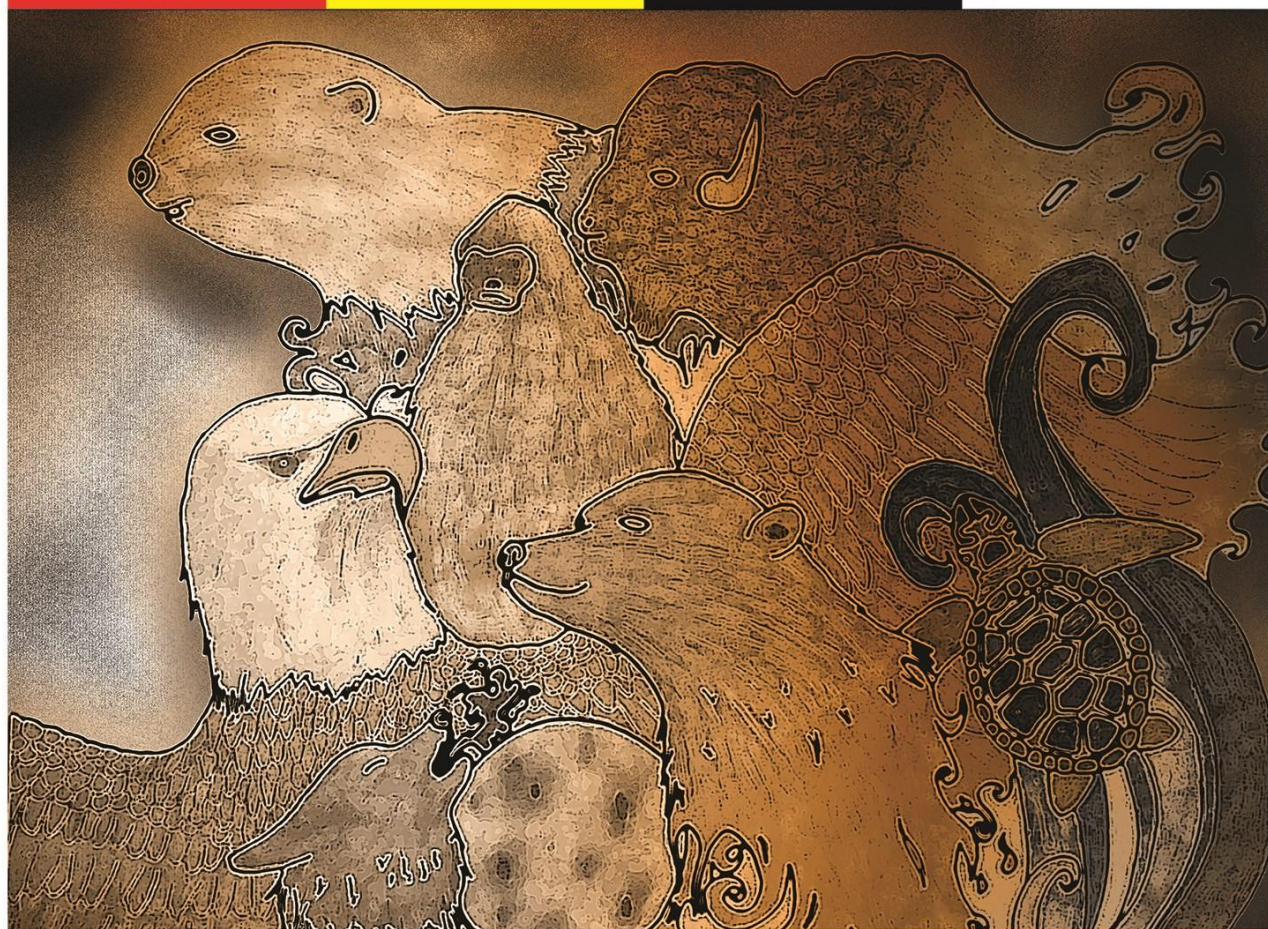

Many organizations attending the event will be accepting résumés from current students, graduating students, and community members, creating valuable opportunities for networking and potential employment.

This year, we are excited to host 90 organizations, representing a wide range of industries, post-secondary institutions, and community support services. The career fair is designed to encourage ongoing career development and exploration, which is directly connected to personal wellbeing—helping individuals build confidence, purpose, and a sense of direction throughout their lives.

Kindergarten at Hampstead School is everyday all day!

Everyday kindergarten provides extra time for children to build relationships with teachers and other students, while they engage in play-based programming to develop literacy and numeracy skills. It also offers consistency of school routines and habits to serve as a strong educational foundation.

We have seen tremendous success in our littlest students. We can't wait for your children to join us!
