## Information

### Dress for the Weather!!!

Please ensure students come to school dressed for the weather. There are two 30-minute recesses during the day, and students will sometimes be outside for gym class.

Weather appropriate **jackets, snowpants, mitts, toques, scarves, boots**, etc. should be brought to school and worn while outside.

If you need some support in finding warm clothing, please contact Morgan at 204-654-1818 or [mbrandt2@retsd.mb.ca](mailto:mbrandt2@retsd.mb.ca).

### Lockdown and H&S

Your student's safety is very important to us. We have policies and procedures in place at both the divisional and school level to support their safety. In the coming days we will be holding a lockdown drill, and staff will share their expectations with students prior.

All schools in RETSD are required to hold at least two Lockdown and one Hold and Secure practice drills every school year. The purpose of the drills is to provide training for staff and students, so everyone knows what to do in the event of a safety threat. Everyone in the school building will participate in these drills.

We regularly review our divisional safety procedures to ensure that we are doing our best to maintain the safety of your student's learning environment. We do this through proactive planning and practice of emergency procedures in all our schools.

If you have any questions about the procedures described above, please feel free to contact me.

# TIME TO BUNDLE UP!

## RETSD Cold Weather Guidelines

Sometimes, severe weather requires us to make changes to busing, outdoor recess, and safety patrolling to keep your children safe.

### School Closures

Schools very rarely close due to winter weather.

### Winter Clothing

Please ensure that your child comes dressed appropriately for the weather each day. When the temperature or wind chill is between  $-27^{\circ}\text{C}$  and  $-34^{\circ}\text{C}$ , warm winter clothing is essential, and facial protection is recommended. When it is below  $-34^{\circ}\text{C}$ , facial protection is essential, and it's recommended that children avoid going outdoors unaccompanied—skin will freeze in less than 10 minutes.

### Busing

When the temperature is  $-35^{\circ}\text{C}$  and/or wind chill is  $-45^{\circ}\text{C}$  or colder at The Forks, metro Winnipeg school divisions (RETSD included) cancel buses for the entire day—but schools usually remain open.

We will post a cancellation alert on the RETSD website home page if buses are cancelled, and alert the media. If we have not posted a cancellation alert by 6:45 a.m., buses are running.

### School Patrols

When the temperature or wind chill is between  $-27^{\circ}\text{C}$  and  $-34^{\circ}\text{C}$ , patrols will remain on post for 10 minutes. When it is  $-35^{\circ}\text{C}$  to  $-39^{\circ}\text{C}$ , patrols will remain on post for five minutes. When it is  $-40^{\circ}\text{C}$  and below, no patrols will be on duty.

### Recess

When the temperature or wind chill is between  $-25^{\circ}\text{C}$  and  $-27^{\circ}\text{C}$ , a shortened recess period may be warranted. When it is below  $-27^{\circ}\text{C}$ , recess is usually moved indoors. This is at the discretion of the principal. *\*with the exception of Polar Bear Club students*

### Polar Bear Club Recess

For schools participating in Polar Bear Club Recess:

- Participation is voluntary.
- Parental consent is required.
- Students who have consent can participate in all or none of the recess breaks.
- Students must be dressed appropriately, including a warm toque/hat; snow pants; face covering; warm, insulated jacket; mittens; and snow boots.
- Students can go back inside at any time.
- Staff supervision will be provided.

 **All students will remain inside when the temperature/ windchill is  $-40^{\circ}\text{C}$  or below. If you have any questions not addressed by these guidelines, please contact your child's school.**
