Koats for Kids

We had very nice weather this fall but the weather is now getting cooler! It is important that children dress appropriately for the weather. Weather appropriate jackets, snowsuits, mitts, toques, scarves, boots, etc. should be worn for our outside movement breaks.

If you need some support in securing warm clothing, please let us know. We may be able to help!

Contact Morgan at 204-654-1818 or mbrandt2@retsdb.ca for more information.

October 30, 2025

Dear Parents and Guardians,

To help children be safe – and seen – this Halloween, Manitoba Public Insurance is pleased to provide wearable light flashers to all trick-or-treaters from Kindergarten through to Grade 6.

Road safety is important every day of the year, but Halloween presents unique challenges as large numbers of children are on community streets after dark.

Please keep your ghosts and goblins safe this year by using their wearable light flashers, and by following these important road safety reminders:

- Look in all directions for traffic before crossing the street.
- Never cross between parked cars.
- Always walk – never run – across the street.
- Take care when crossing at traffic lights and stop signs by waiting for vehicles to come to a complete stop and making eye contact with drivers.
- Remember that cars cannot stop quickly in wet or icy conditions.
- Be cautious of masks that may obscure your child's vision.
- Be cautious with dark costumes that may be difficult for drivers to see.
- Consider walking with your children or have them travel in groups.

Thank you for helping to make this a safe and happy Halloween.

Sincerely,
