

INSTRUCTIONAL TECHNOLOGY USE

Access to the River East Transcona School Division instructional technology services plays a vital role in teaching and learning in today's world. Student access to computer information technology is an integral part of their learning. The division, in cooperation with students and parents, will work to build an understanding of the importance of digital citizenship and the role that computer information technology can play in education.

River East Transcona School Division promotes the use of its instructional technology services to improve the digital literacy of its users. Every user is expected to adhere to this policy, as well as the accompanying regulation and exhibits, and by accessing instructional technology tools, consents to follow the expectations contained in the policy.
