January/February 2020

Welcome back everyone! The kids are excited to be back and we are excited to continue on our journey toward academic success and personal social growth. We hope everyone had a chance to rest and relax over the break and are ready to carry on through the next few cold months. We have a few great activities currently going on to help alleviate the winter blues. Students have started Tumbling Rally Club, Floor Hockey Club as well as lunch hour coding club.

As well Ms. Friesen has been working with classrooms to discuss healthy minds and mindfulness practices.

February is I Love to Read Month. Throughout the month students will participate in a variety of activities to promote the joy of reading. The theme for this year's month is on Canadian authors. We encourage you to take the time to speak with your student about reading and your passions around reading. We also encourage you to take the time daily to read to and with your student during this month and every month.

Kindergarten Registration

Please see two attachments regarding kindergarten registration as well as the Learning & Growing program. Kindergarten registration begins March 2nd, 2020.

Nursery School

Radisson School is excited to welcome the Kids Centre Co-op Nursery School. Please see attached for information on how to register siblings in this great program.

Canadian Postcard Exchange

Audience: Classrooms across Canada

Purpose: To practice writing letters and to learn about other places in Canada

Our Grade 4 class is participating in a postcard exchange. We have pen pals across the country that we will be writing to. We have been busy working hard to write our letters to contact back with our pen pal. So far we received three postcards/letters from Saskatchewan and one from Quebec. This helps us learn about different places in Canada. One fact we learned was that the school in Mankota, Saskatchewan has only 43 students. One class from Mankota that wrote to us had 6 students and the other had 10 students. If you want to learn more about a place, you could try sending a letter/postcard to someone and hope that they will write back to you.
