

River East Transcona School Division supports parental choice of schools within the parameters identified by the *Public Schools Act* (Section 58), [provincial guidelines](#) and the established guidelines in this policy.

The Division will approve inter-school transfers of students subject to provincial legislation and regulations.

School catchment boundaries are used to determine a student's designated school. Students must attend the designated school assigned to the address of their residence. A parent/legal guardian may apply to have their child attend a school other than their designated school, either inside or outside division boundaries.
