

COMMUNITY SERVICE STUDENT-INITIATED
PROJECT STUDENT RESPONSE

**Community Service Student-Initiated Project
Student Response**

Please Note: The length and content of the student response may be determined by the approving administrator based on the student's grade level. The response may also be submitted in formats other than written, such as an oral presentation.

(Please provide your responses to the following on separate paper.)

- (1) Describe the community service project in which you participated.
- (2) How has your community service experience influenced your understanding of the larger community and your role within it?
- (3) What advice would you give to another student who may be considering participation in a community service project?
- (4) What skills and attitudes have you gained through participation in the community service project? Consider the following:
 - organization
 - collaboration
 - time management
 - decision making
 - other(s): please indicate
 - commitment
 - respect for others
 - celebrating differences
 - problem solving
- (5) Choose three of the above skills and attitudes that you have identified. Explain how each of these relates specifically to your community service experience.
