POLICIES

PURPOSE

The Angus McKay Lunch Supervision Program is a not-for-profit organization dedicated to providing students with a safe, responsible, respectful environment for parents/guardians who choose to have their children supervised over the lunch break. Students not registered for the program will not be allowed to remain on school property during the lunch hour.

ABOUT THE PROGRAM

The Angus McKay Lunch Supervision Program Supervisors will monitor the classrooms and hallways while the children eat their lunch (11:45-12:15). Please remind your child they must eat their lunch within this time as no food is allowed on the playground. The supervisors will then supervise the playground during the lunch recess (12:15- 12:45). Please ensure your child has appropriate clothing, during inclement weather students will remain supervised inside.

Students who do not participate in the supervised program may not return to school before 12:40 pm.

Students must provide their own lunches and will eat in their classroom or another specified lunchroom. This program does not provide any meals, spoons, or forks and there are no microwaves available for heating lunches.

At Angus McKay, we want to make the school as safe as possible for all students. Please be aware that any foods that contain, or may contain, peanut or nut products are not permitted in the building or on school grounds. This includes products labelled as 'made in factory that produces nut products. These products could have fatal results for children who have these allergies. Other classroom specific allergies will be communicated by the school.

The Lunch Program is not a fundraising venture; it is a not-for-profit organization. All the money collected is used to pay the wages of those hired to supervise, related training (i.e. CPR, first aid etc.), first aid supplies, equipment used, and any other miscellaneous expenses related to the operation of the program. Funds from this program are managed in an Angus McKay Lunch Program bank account and are separate from any school accounts.

REGISTRATION

A new registration form must be completed for each new school year. Students transferring into the school and wishing to register in the Lunch Supervision Program may obtain a Registration Form from the school office or the school website.

Angus McKay Lunch Supervision Program

The user fee will continue to be payable on days where a child is involved in any extracurricular activities, whether that activity is organized by the school or an outside organization. If a child remains at the school during the lunch break, their user fee is payable. [See Casual Student Option](#)

LATE PAYMENT

In the event of late payment, the AMLP Treasurer, in consultation with School Administration, will implement the following policy:

1. The parent / guardian will receive a note / email reminding them that payment has been missed. Payment will be required the next school day.
2. At five (5) school days past due, the Treasurer will call and make arrangements with the parent / guardian to pay all outstanding fees by a specific date. The parent / guardian will be advised that if payment is not received by the specified date, the outstanding account will be forwarded to the School Administration and their child will be removed from the Lunch Program. Should there be any difficulty in reaching a specified date for the payment to be received; the outstanding account will be forwarded to the School Administration.
3. At ten (10) school days past due, or at the specified date set in number 2. above, the late payment will be viewed as a parental decision to no longer use the services of the Lunch Program. The outstanding account will be forwarded to the School Administration and the parent / guardian will be asked to make alternate arrangements for their child during the lunch break. Should the parent / guardian wish, their child may participate in the Lunch Program again by paying all outstanding fees in full.

NSF CHEQUES

Cheques returned for any reason will be considered late payment and the policy outlined above for Late Payment will be followed. There will be a bank service charge for each NSF cheque received by the Lunch Program.

RECEIPTS

Upon request, receipts will be issued to parents/guardians. We are not responsible for lost receipts.

REFUNDS

There will be no refunds unless the student is transferring out of the school. In that event, the program requires written notification before the unused portion of the user fee will be refunded. If a child is away for an extended period due to special circumstances i.e. lengthy illness, a written request for a refund can be submitted to the AMLSP committee for consideration. If a student is removed from the Lunch Program due to inappropriate behavior, the AMLSP committee may determine that no refund will be provided.

BEHAVIOUR MANAGEMENT

The River East Transcona School Division adheres to the “Code of Conduct” to promote a healthy school culture. The RETSD believes that all staff, parents, and students have a responsibility to maintain a safe, caring, and respectful environment where everyone has the right to be treated with dignity and respect. Students, parents, and staff are to behave in a respectful manner and comply with this code.

Our School’s Lunch Supervision Program has some basic expectations that students are expected to follow so that we can maintain a safe, respectful, and relaxing atmosphere for all lunchtime participants. These expectations are reviewed continuously with all students throughout the year.

From time to time, a small number of students find it difficult to follow the behavior expectations for the Lunch Program. When concerning behavior persists, then you have a right to know about it. Therefore, when a student is not following the lunch and / or playground expectations during the lunch break, the Lunch Program Coordinator, in consultation with School Administration, will implement the following procedure:

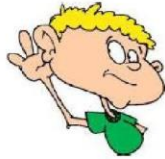

1. The Supervisor will speak to the student about the problem. An Incident Report may be filled out. If an Incident Report is filled out, it will be given to the Coordinator and Administration will be informed.
2. In the case of ongoing unacceptable behaviour or in the event of a serious incident, a Report will be filled out, submitted to the Coordinator and the Administration will be informed. Parent contact will be initiated to discuss the behaviour and a continuum of strategies will be created. These could include parent review, verbal reminders, lunch recess time out or lunch in an alternative location.
3. Should the unacceptable behaviour continue without change or be of a serious nature, the student may lose lunch privileges. Parents would need to make other arrangements for their children during the lunch break. As per Divisional policy, any alternate arrangements are exclusively the responsibility of the parents / guardians.

Experience tells us that where a policy like this is in effect, students are careful to conduct themselves in a reasonable manner with very few students losing their privilege to have lunch at school.
