 - a. Fundraising – The need to fundraise is not deemed necessary at this time. Any funds currently in our account will be available to carry forward for the upcoming school year. Will review needs again in new school year.
 - b. Staff Appreciation Luncheon – Luncheon to be held the following day on March 14, 2013 over the lunch hour. Donations of either food items or monetary donations have been requested from parents. Enough has been donated that the funds in our account should not be necessary to be used. Patti and Sandra will arrive at school early to start preparing.
8. New Business/Round Table
 - a. Question on helmet order – all orders will arrive after spring break.
 - b. Increasing parent involvement in council meetings is deemed necessary at this time. The amount of parents attending meetings has decreased severely in the last few years, only leaving a couple parents attending regularly. Half of these current parents will no longer have students in this school in the 2013-2014 school year. Brain storming on ways to encourage more parents to attend needs to be done and we will review at next meeting.
 - c. Next meeting – Wednesday, May 22, 2013, 6:30pm in the staff room.
9. Meeting Adjourned 7:45pm – Patti Mullen
