

October 25 through November 10

Please share this information with all students and parents.

Please visit: <https://www.canadauniversityfair.com/>

Having grown from its inaugural event in 1998, the "National Universities Fair" has been a tremendous source of information about post-secondary educational opportunities across Canada!

At this time when school visits are limited, this is a great way to be in touch and explore the schools that you are interested in!

Dates and times are listed on the site and presentation links are provided.

Pre-registration is required for some presentations.

Explore the site ahead of time for information needed!

Hosted by:  BARMORAL HALL SCHOOL and  St. John's-Ravenscourt School

Thank you to all participating institutions!
