PAC Contributions

The Neil Campbell PAC recently purchased a new sand table for the kindergarten classes, replacing one that had long seen better days. As you can see, the students are thrilled with this latest addition to their classroom! Another excellent investment PAC made was the purchase of building toys for the Maker's Space –thanks largely to an excellent presentation delivered by Mrs. Chubey to the council.

A big thanks to everyone who participated in our Peak of the Market fundraiser this year to make these and many other things possible for the school!

Teacher Appreciation

For our final teacher appreciation event of the year, PAC is encouraging parents to drop off baked goods for our staff anytime during the **week of June 12-15**. The teachers will be hard at work finishing up report cards and what better way to fuel them than with banana bread and cookies?
Contact neilcampbellpac@gmail.com if you have any questions!

Neil Campbell Friendship Garden

Through the hard work of Ms. MacDonell and a few students, our school has been the recipient of two grants allowing us to create a friendship garden and outdoor classroom space behind the school. PAC purchased a table and benches to contribute to the space and will continue to fundraise to bring shade and additional greenery to the playground. The School's Out for Summer Dance Party will mark the official opening of the tall grass prairie garden, featuring native Manitoba plants in an effort to establish a sustainable and natural environment.

MARK YOUR CALENDARS!

Here are some of the events the NCPAC are planning for the 2017-18 school year. These events take place outside of school hours. Check out our newsletter, the school e-memo and our Facebook page for more information as each event approaches.

June 12-15 – Bring in baked goods to help us fuel our teachers!
Wednesday, June 13 – PAC Meeting
Friday, June 22 – School's Out for Summer Dance Party & Book Fair

You are Invited!
