Priority Committees continue to focus on the goals set in the Spring of Last Year. Meetings with divisional consultants and sharing of information at staff meetings and Professional Development days.

Golden Ticket campaign is well underway. This promotes and supports our PBIS matrix. This will continue up until Spring Break.

Hot Lunch

- Profit from subway lunch (1st- \$137, 2nd \$165)
- Switch between Subway and Pizza
- 3 more left this year
- Consider ordering whole pizzas to distribute by the slice (look into rules regarding food handlers, look into cost and how many slices per XL pizza)

Fundraising for Playground

- Possible community garage sale (concerns: where to store items prior to sale, volunteers, how to dispose of items that are not bought in a timely manner)
- Chocolates – Pam Hunt will look into logistics (After Spring Break)
