- Spring Break begins on the 29th.
- Remote Learning – Many students have returned and we have changed how we are teaching remote learning to still create a positive learning environment for remote learners but also to take pressure off of teachers. The new plan begins on March 15.

8. New/Ongoing Business

8.1 Appreciation

- We will provide individual pizza to the staff on the evening of the conference – Mar 18. Courtney will do a google poll to get everyone's pizza preference.
 - May get some individually wrapped treats also
- We will give the Bus Driver's McDonald's GC's (\$10 ea). Other years there has been 7 drivers, but we will confirm with Lonni.
- Non-teaching staff will get GC's to Smoothies & Beyond (\$5 ea)
- Thank You cards will be handed out together with the GC's.

8.2 Other

- Questions were asked about Field Day, but we still need to wait on restrictions to see what will be possible.
- Grade 5 sendoff is very important and even if there are restrictions still in place, there will be something special planned for them.
- A second water fill station would be a great contribution from PAC that could be put in on the other side of the school.
- Jaqueline mentioned a pizza ordering fundraiser she came across from Domino's. The school gets money for every pizza order placed in a certain time frame. She will get more details.
