

B.E. GLAVIN PAC MINUTES

October 3rd, 2018, 3:30 pm

In Attendance

C. Augustine, J. Cruz, K. Schultz, R. Francis, C Gording

1. Pizza Lunch

November Pizza Lunch was discussed. Lack of volunteers is limiting the possibility of providing hot lunches. Kindergarten will now participate in Pizza Lunch. Kindergarten Snack Day will be discontinued. Kindergarten students who do not attend on Hot Lunch Day will receive pizza on their next school day (cheese pizza will be delivered separately on that day for Kindergarten).

2. Open House

Too many hot dogs were purchased and cooked for the 2018 Open House. R. Francis suggested that the 2019 Open House will occur the night before school starts in September to help students and staff feel settled for the first day of school. Food would not be served in 2019. PAC agreed that changing the Open House format was favorable.

3. Peak of the Market Fundraiser

Peak of the Market Fundraiser is currently under way. \$1496 was raised in 2017. PAC will provide \$100 to each classroom, resource, Phys. Ed, music and library as enrichment funds to be used at teacher's discretion.

- A. Lunch Program Committee will amalgamate with PAC and LPC occupy 15 minutes of PAC meeting time
 - Surplus money in account was discussed
 - Half time Kindergarten students paying full time fees was discussed
- B. Walk-A-Thon

- C. Play Structure Fundraising
