

## B.E. GLAVIN PAC MINUTES, SEPT. 17

### **In attendance:**

Jenna Deeton, Kim Schultz, Pam Hunt, Cris Agustin, Darlene Palma and Ryan Francis

Welcome Darlene Palma to the BEG PAC! Darlene has been a regular volunteer with our hot lunch program and has now decided to join the Pac. We have no doubt she will be an asset to the group.

**Open House**- There was a great turn out for the newly formatted open house which took place on Tuesday September 3<sup>rd</sup>. This was an opportunity for kids to meet their new teachers and drop off any supplies. Teachers reported a smoother first day of school as a result of the open house being the day before.

We are currently sitting at 291 kids at BEG.  
Class sizes range from 16-28.

**Fundraising**- We have decided to change up the fundraising this year. We won't be doing peak of the market. Our first fundraiser will be closer to Christmas. Pam is looking into the Bothwell cheese fundraiser and will discuss her findings at the October meeting.

**Hot lunches** - We as a Pac have decided to part ways with Domino's Pizza. We had too many issues in previous years and have decided to go a different route. Starting in November we will be using Subway for the hot lunches. Cris will get the forms to Sherry to be sent home. More info will be given at the October meeting. Handouts can be seen in the Pac binder.

**Staff enrichment**- Staff enrichment will be given to all subject teachers after our first fundraiser is completed. Amounts to be determined based on fundraiser sales.

**Admin report**- Committee work has already begun. Each staff member is on at least one of the three priority committees, which include: literacy, numeracy and safe schools. The Manitoba association of Parent Council membership for 2019-2020 had been paid by Kelly Barkman.

The first playground refresh meeting took place and each team member will be completing and submitting one grant proposal on or before the next meeting in October. \$1000 from fundraising will go into the playground account.

**New staff this year:** Lisa Clark (Resource and Guidance), Charlene Fossen (EA), Ashley Buchanan( Teacher Librarian), Anne Anthony( Grade 1)

\*\*Pac is looking to attach something to the school website regarding steps to treating lice effectively before returning to school.
