Principal's Report (cont'd)	<ul style="list-style-type: none"> • Extended absences are common. Giving work in advance is difficult as emphasis is placed on in class learning rather than product. Assessments take place on an on-going basis, rather than using tests. • Since the weather is warmed up the kids have been encouraged to go outside and get some fresh air. • Staff vs. Student Hockey Game is scheduled for the afternoon of Friday March 22nd. Grade 8 students will play against the teachers. All students will walk over to the ESP Arena to watch. • Strategic Literacy Initiative – 5 teachers have been involved this year. Helps teacher learn how to teach students better. Teachers are able to share and collaborate on techniques.
