Digital Forms

We appreciate everyone's efforts to complete the Demographic Verification and the Vision and Screening Forms online. The Division is using this as a testing ground for digital forms and may increase the use of it in the future – for example – permission forms.

Nessie Wear

The Fall 025 online clothing store should be ready to roll at the end of next week. We will send out messaging to families as soon as it is up and running. The turnaround time for ordering will be relatively brief.
