PRINCIPAL'S MESSAGE

Hello and welcome back!

My name is Scott Harmacy and I am the new Principal of Radisson Elementary school. I am truly excited to be here and taking on this new position. I started my teaching career at Arthur Day Middle School in Transcona and I am excited to be back working in the area. I know the area well and the sense of pride that you have for the Transcona community.

I believe that it is important for our school's success to have the community heavily involved in the day to day activities in the school and learning that takes place. I encourage you to speak with your student and their teachers and find a way to be involved. Either through volunteering in the classrooms, joining the Parent Advisory Committee, Lunch Program Committee or helping out through fundraising. The more you get involved in your student's education, the greater the engagement and success you will see for years to come.

I look forward to meeting you during our OPEN HOUSE evening on September 18th, 2019 from 5:30-7:00pm. Stay tuned for more information.

Scott Harmacy

Schools in our division are located on Treaty One territory, the traditional lands of the Anishinaabe, Cree, Ojibwe, Dakota and Dene peoples, and the homeland of the Métis Nation.

AS WE START A NEW YEAR...

- Parents/guardians are reminded to call the school office if your child(ren) are absent or arriving late. Please leave a message on our 24-hour answering machine.
- Please remember that after school, only parents/guardians of Kindergarten students are to wait in the front entry to pick up students. Parents of grade 1-5 students are to pick their kids up outside their designated door at 3:25. **Students attending other schools must wait outside for their sibling to exit.** Students cannot wait in the front entry/use this area as a public space unless they are current Radisson School students.
- Thank you for your patience in regard to transportation bus routes. This is the busiest time of the year for our Transportation Department, and they are working diligently to make bus schedules work.
- A reminder that students must be picked up at the end of the school day, 3:25 p.m. Parents are responsible to make arrangements for child care, if needed. School staff do not provide supervision after 3:25 p.m.
- Please send student fees and money to school clearly labelled with your child's name in an envelope or plastic bag.

PLAYGROUND SUPERVISION

Our school hours and times for recess are listed on the first page of this newsletter. In the mornings, outdoor supervision does not start until 8:35 a.m. At lunch, for students not participating in the Radisson Lunch Program and go home for lunch, outdoor supervision begins at 12:30 p.m. Early arrivals who registered as occasional users in the Lunch Program are charged the supervision fee at that time. Please contact Mrs. Wilson, Radisson School Lunch Director for more information (radlpdirector@gmail.com).

COMMUNITY CONNECTOR

Welcome back to a new school year! My name is Janice Strempler and I am the Community Connector at Radisson School.

As a new school year begins, so does FREE Pre-School Programming. For the Fall season Radisson will host Stay and Play programs in the Family Room, room 3 on Tuesdays & Thursdays from 9:30 a.m. – 11:30 a.m. At the program there will be free play with lots of toys, a craft, gym time, a healthy snack and circle time at the end. The program is for children ages infant - 5 years old. This is a drop-in program so no registration is required. Please come and join us for lots of fun, laughter, and making new friends!

I can be reached at: jstrempler@retsd.mb.ca

RADISSON STUDENT SERVICES

Fidget tools are specialized learning tools and can be useful for students to help with self-regulation, focusing and calming. When we introduce a specialized learning tool such as a fidget, the Radisson Student Services Team will consult and collaborate with the school clinicians (Occupational Therapist, Speech Therapist, Physiotherapist etc...) to introduce a fidget or learning tool that has been specifically chosen for the student who may require it.

Radisson's Student Services Team are asking parents to **NOT** send any type of fidget tools from home to school without discussing your concerns with the classroom teacher and/or resource teacher.

MEDICAL CONCERNS

Thank you to all the families who submitted student medical information in a timely fashion. Your immediate attention to these forms allows us to provide staff members with important health and safety information for your child. Mrs. Wiebe is our school contact for URIS applications and serious medical concerns.

Parents are reminded that according to divisional policy, non-prescription medication cannot be administered by school staff. Prescription medication for short-term illnesses must be given to your child at home. Unfortunately, there have been too many requests of this nature for school staff to accommodate.

RADISSON LUNCH PROGRAM

We will be offering a paid lunch program again this year operated by our Radisson School Lunch Committee. The Radisson Lunch Program Committee for this year are:

Carrie McLaughlin (Chair)
Deidre Morawecki (Vice-Chair)
Michelle Mahy (Treasurer)
Kristy Trauzzi (Secretary)
Miriam Wilson (Director)
Scott Harmacy (Principal)

If you want more information about our program, you are invited to attend our monthly Lunch Program meetings in Room 7. Our next meeting is Thursday, September 19th, 6 p.m. in Room 7.

RADISSON PARENT ADVISORY COUNCIL (PAC)

Radisson School Parent Advisory Council (PAC) is looking for YOU!

It's hard to believe that summer is already over, and another school year is here! Radisson School PAC would love to add some new members to their group this year. We are a tiny group of parents working hard to try and provide fun activities and support to our school. We currently have a team of only 3 active volunteer parents.

We would like to do more for all to enjoy but we lack the support from our families that we need to accomplish even the current activities and tasks we now organize and support.

We are a very flexible PAC group. Meeting dates and times are set around the groups personal life schedules to help us reach our goals without compromising our home lives. We follow a laid-back approach and adjust our activities and fundraisers to work with what resources and volunteers we have. Currently we hold two fundraisers a year and host the Halloween dance in October. We also attempt to provide Hot Lunch days when one our current PAC members is available to organize it and volunteers are available.

Please consider joining our PAC group. It's a great way to help out the students and staff and get involved in your child's school. The fundraisers we hold have supported so many wonderful items that would not have been possible to obtain in the school due to limited funding and budgets.

While we can appreciate that most parents are very busy, I can assure you we make every effort to provide our parents and caregivers with flexible options to volunteer. I encourage you to contact me directly if you have any questions or would like to help us out! I can be reached by email at zaphod7@mymts.net

Halloween Howl

We are pleased to announce that we will be holding another Halloween Howl Dance. This is a family friendly event and will have prizes for spot dances, treats for purchase and music provided by BJ's Music. The dance will be held on Thursday October 24, 2019 from 6:00 to 8:00pm in the Gym at Radisson School.

A few Notes of Importance for the Dance:

Admission is **\$1.00 per person (Adults and children)** This helps to pay for the DJ costs.

All Children **must** be accompanied by an adult that remains onsite with them

Halloween Costumes are welcome **however please refrain from wearing any violent costumes and NO weapons (such as fake swords, guns etc) will be allowed**

Treats will be available for purchase

If you are able to volunteer for this event, please email Jeannette Philion at zaphod7@mymts.net

PAC Fundraisers

PAC will be holding two fundraisers again this year. Watch for details on these in the upcoming months.

Thank you,
Jeannette Philion
Radisson School PAC Chair

BREAKFAST PROGRAM

Radisson School is happy to announce that we will be partnering again with the Abundant Life Baptist Church to offer our Breakfast Program. This free program is open to all students and will begin on Monday, September 23rd. The program operates Mondays, Wednesdays and Fridays from 8:15-8:45 a.m. in Room 3.

Students who registered and participated last year are welcome to continue in the program this year, without registration. We are accepting new registrations, forms are available at the front office. Thank you to Abundant Life Baptist Church for their support of this program.

BOOSTER SEATS

As many of you may be likely aware, new provincial legislation came into effect on August 8, 2013 related to the use of booster seats.

The provincial law requires children to remain
in booster seats until they are at least
145 cm (4' 9") AND 36 kg (80 lb) **OR** nine years old.

Given that schools will have students (possibly up to Grade 3) who do not meet the above criteria, it will not be possible for schools to transport these students in private vehicles (unless the vehicle belongs to the parent/guardian of the child being transported). This is inclusive of field trips and transporting individual or small groups of students to various functions/events. If you require clarification, please contact Mr. Harmacy.

FAIR NOTICE – RETSD DIVISIONAL POLICIES

Parents are asked to review RETSD policy JICH – Alcohol and other Drug Use by Students (<http://www.retsd.mb.ca/yourretsds/Policies/Documents/JICH.pdf>) as well as policy JIH-R Search Procedures (<http://www.retsd.mb.ca/yourretsds/Policies/Documents/JIH-R.pdf>).

To access these and other divisional policies please go to the RETSD website and click **Your RETSD** and look under the heading **Policies**.

RIVER EAST TRANSCONA SCHOOL DIVISION POLICIES

Families are encouraged to become familiar with these policies and contact the school with any questions or concerns.

Life-Threatening Allergies

As in the past, there are several students with life threatening allergies in Radisson School. Several of these students have their allergy to nuts and/or nut products. Specific information has been sent home with the appropriate classes. However, we would like to ask all families to consider the following in the interest of safety:

- Contact with even a tiny amount of an allergen can cause a severe reaction
- Check the labels on food products that are sent to school (no nut products)
- No peanut butter sandwiches or bringing any nut products to school
- Talk to your child to not share lunches or snacks

THANK YOU for helping us to provide a safe environment for all our students.

Anaphylaxis Policy

The division recognizes that some students attending schools may require the administration of medication in response to an acute allergic reaction. Therefore, for the safety of students, staff, and parents/guardians, —Anaphylaxis Procedures and —Anaphylaxis Avoidance Strategies must be followed within the division. The complete policy is available on the website at: <http://www.retsd.mb.ca/site/about/policy/j/JLCG-R1.pdf> and JLCG-R2.

Drug and Alcohol Policy

As you may be aware, the Division has a policy on drug and alcohol use. The complete policy is available on the web at: <http://www.retsd.mb.ca/site/about/policy/j/JICH.pdf>. The policy has been adopted in the interest of the health, safety, social and emotional well-being of all students. The policy outlines 3 key areas: prevention, intervention and consequences. Families are encouraged to become familiar with this policy and contact the school with any questions or concerns.

Search Policy

In addition, the Division has a policy guiding actions in the event a student and/or his/her possessions require searching. The complete policy is available at www.retsd.mb.ca/site/about/policy/j/JIH-R.pdf

Concern Protocol

<https://www.retsd.mb.ca/yourretsds/Policies/Documents/KE.pdf>

Concern & Complaints Procedures

<http://www.retsd.mb.ca/yourretsds/Policies/Documents/KE-R.pdf>

The River East Transcona School Division has established this policy to ensure effective steps in communication of concerns and/or questions between parents/guardians, adult students, members of the community and divisional staff and between staff members.

Concern Protocol

Your child's school will always try to make the learning experience a positive, safe and happy one for its students.

However, if you have a concern or an issue, please don't hesitate to let the school know. Open communication between home and school is very important to us.

1

Talk to the person most directly involved—your child's teacher. If you must leave a message, provide a day and evening phone number where the teacher can reach you.

2

If talking to the teacher doesn't resolve the issue, talk to the principal.

3

If you've talked to the principal, but the issue has not been resolved over a period of time, call the superintendent's department at 204.667.7130 or email communications@retsd.mb.ca.

4

If you disagree with the decision of the superintendent's department, you can make an appeal in writing to the board of trustees.

HOLD & SECURE & LOCKDOWN

Your son/daughter's safety is very important to us. We have policies and procedures in place at both the divisional and school level to support their safety. In the last several months our school division has been working with the Winnipeg Police Service, (as well as referencing materials from the RCMP and Manitoba Education and Advanced Learning), in order to review and strengthen the procedures we have in place to protect students and staff in the event of a safety threat at school. We would like to share details of these updated procedures with you now.

Safety procedures now fall into two categories: **Hold and Secure, and Lockdown.**

Hold and Secure will be activated if there is a *potential threat outside the school*. In these situations, the police typically contact the school and direct the school to go into Hold and Secure. When there is no longer a threat outside the school building, the police inform us that we can resume regular activities.

If our school is in Hold and Secure, the following procedures will apply:

- All exterior doors will be locked.
- NO ENTRY signs will be placed on each door.
- No one will be permitted to leave or enter the school until school administration announces that Hold and Secure is over.

Lockdown will be activated if there is a *potential threat inside the school building*. If the school is in Lockdown, the following procedures will apply:

- All students and staff will proceed to the nearest classroom or office.
- All doors to classrooms and offices will be locked and/or barricaded by the supervising adult.
- Students will be kept away from windows and doors and instructed to remain silent and still.
- No one will be permitted to leave their room until the Lockdown is over.

Effective September 1, 2015, all schools in RETSD are required to hold at least two Lockdown and one Hold and Secure practice drills each school year. The purpose of the drills is to provide training for staff and students, so everyone knows what to do in the event of a safety threat. Everyone in the school building will participate in these drills. Students, staff and parents will be informed in advance of these practice drills.

If your son/daughter arrives at school during a Hold and Secure or Lockdown procedure, he or she must proceed to the school evacuation site, sign in and remain there until directed otherwise by administration or police. **The evacuation site for your son/daughter's school is: John W. Gunn Middle School.**

If you arrive at the school during a Hold and Secure or Lockdown, DO NOT ATTEMPT TO ENTER THE SCHOOL. Instead, please proceed to the parent/guardian information site where divisional personnel will be available to assist you. **The parent information site for your son/daughter's school is: Westview School.**

If you hear about a serious emergency at your son/daughter's school through media reports or other means, DO NOT PROCEED TO THE SCHOOL. Instead, proceed immediately to the parent information site identified above.

Please DO NOT CALL YOUR SON/DAUGHTER'S CELL PHONE during an emergency, particularly in a Lockdown situation where it is critical to remain silent and still and not draw attention from any threat makers that may be in the building.

In closing, our purpose in sending this letter is to reassure you that we regularly review our divisional safety procedures to ensure that we are doing our best to maintain the safety of your son/daughter's learning environment. We do this through proactive planning and practice of emergency procedures in all our schools.

If you would like to read more information about safety policies in RETSD, please visit www.retsd.mb.ca/YourRETSD/Policies and scroll to Section E: Support Services.

If you have any questions about the procedures described above, please feel free to contact me.

Mr. Harmacy

RETSD'S CODE OF CONDUCT

RETSD's Code of Conduct is central to the division's commitment to fostering safe, caring and inclusive schools. Originally created in 2008, this code was revised to more closely align with the Code of Conduct from Manitoba Education and Advanced Learning. The main changes include a revised definition of bullying and the addition of new technology forms.

The Code of Conduct is found on RETSD's website at: http://www.retsd.mb.ca/Lists/Publications/code_conduct.pdf

NUTRITION POLICY

Radisson School is striving to promote an active healthy lifestyle for our students at school and in cooperation with the home. Students are continually presented with information on healthy eating, recognizing the important role proper nutrition plays in the total development and performance of the individual. Learn more about our RETSD's Nutrition Policy at <https://retsdb.ca/yourretsdb/Policies/Documents/EFBA-R.pdf>

Rationale:

Nutrition plays a significant role in growth and development, resistance to disease, and physical and mental health. It is important for children to have food that is nutritionally well balanced. Research demonstrates a relationship between nutrition and children's physical, emotional and intellectual readiness to learn. The school will promote and foster an active healthy lifestyle for all students.

NO CHILD WITHOUT

Our school is involved in the Canadian MedicAlert Foundation's **No Child Without** program. There is no cost for students who attend our school and are between the ages of 4 up to their 14th birthday to join MedicAlert through this program. If your child has a medical condition, allergy or is required to take medication on a regular basis, then you should consider this program. A child's MedicAlert identification can alert school staff, friends, coaches and others about your child's medical condition should an emergency occur.

For further information go to www.nochildwithout.ca. To register your child, you will need a **No Child Without** brochure available at the school office.

If your child is already part of the **No Child Without** program and there have been changes to their medical condition, medications or emergency contact information, call MedicAlert at 1-800-668-1507 to update your child's file.

LIBRARY NEWS

Welcome back Radisson families. We have an exciting year ahead of us, and here at the library we look forward to seeing all the familiar and new faces of our students.

With the new school year upon us, we just wanted to give everyone a refresher of your child's library routine. Every class has a scheduled time for book exchanges once during a 6-day cycle. Classes will have a story read to them and will have an opportunity to look at and sign books out. This year's schedule is as follows:

- DAY 3:** Room 18 (Mrs. Hildebrand), Room 17 (Ms. Kraynyk) & Room 13 (Mrs. Hoskins)
DAY 4: Room 1 (Ms. Brnjas), Room 2 (Mrs. Paulson) & Room 10 (Miss Stengel)
DAY 6: Kindergarten (Mrs. Polakoff), Room 4 (Mr. Harms) & Room 11 (Ms. Wilson/ Mrs. Gibbons)

Each library class, the children will return their books and will then be able to sign out new items. If the student has forgotten their book, they will get a reminder of what is signed out so that you can help them locate these misplaced items. Remember, reading is an important part of your child's education, and lost books are costly to the library so please help your children to return books on time and to take good care of our school's library items so that they do not miss out on any library privileges.

Over the summer, we added some amazing new titles to our collection, and are excited to share these with the students over the next few weeks. In addition to some great library programs planned for this year, we will once again be holding 2 book fairs in conjunction with parent teacher conferences. The first one will be happening in November, so watch for more information coming home with your child in late October, early November.

Thank you, Radisson, we look forward to another great year! And remember, "Reading to children even before they can understand words, teaches them to associate books with love and affection". (Unknown)

RETSO COMMUNITY BULLETIN

As the second largest school division in the province, we receive many requests from various community organizations, groups, and companies to distribute promotional materials on their behalf to students in our division.

Going forward, the approved materials will now be posted on our new digital [Community Bulletin Board](#). This can be found on the RETSD website under "Community" with a link on our school site under "Parents & Community".

FIVE REASONS TO WALK OR BIKE TO SCHOOL:

1 - TO IMPROVE SAFETY CONDITIONS AROUND SCHOOL

Walking and biking to school reduces traffic congestion at arrival and dismissal times, which in turn increases safety for all children commuting to school.

2 - TO INCREASE HEALTH AND HAPPINESS

The Public Health Agency of Canada recommends that children get 60 minutes of physical activity every day. Physical activity has been linked to better mood, health, and overall quality of life by numerous studies (1).

3 - TO INCREASE ACADEMIC ACHIEVEMENT

Walking or biking to school provides a concentration boost that lasts more than half the school day (2).

4 - TO HELP THE ENVIRONMENT

One child walking or biking to school rather than driving can save one pound of CO₂ emissions per mile (3).

5 - TO INCREASE INDEPENDENCE IN CHILDREN

Children who walk or bike to school are more likely to walk or bike to other neighbourhood destinations (4).

The Green Action Centre's Active and Safe Routes to School program helps schools achieve their goals in active transportation. Get in touch and see how our organization can work for you.
