

**Name of Book: Spencer West; Standing Tall**

**Author: Spencer West**

**Book Reviewer: Melina B**

**Genre: Biography                      Rating: 4/5**

**The main character in this book is Spencer West.**

**The book is all about his life story. He was born on January 7<sup>th</sup>, 1981.**

**He lost both his legs due to a genetic disorder; his legs were amputated below the pelvis at the age of five. He had a difficult time through school because of the way he looks. But it was extremely hard to make friends. He climbed Mt. Kilimanjaro in Tanzania on June 22, 2012. It shows how anything is possible, even if it seems impossible.**

**Recommendation:**

**I recommend this book for people who like to read peoples life story and Biography's. My age recommendation would be: 10 and up.**

**Rating: 5 out of 5 stars**
