Transcona Collegiate...where character counts!

Principal's Message

TRANSCONA COLLEGIATE

...Where Character Counts

Transcona Collegiate is the home of the TITANS and where character counts. At Transcona Collegiate we are Trustworthy, Inspirational, Team players, Ambitious, Nice and Scholars.

Exams begin on June 17^h for all students. The Grade 12 students begin much earlier, with the ELA Provincial Exams written from May 27– 30, and the Provincial Math Exams during the week of June 11th. Please see the exam calendar on the school website for further details.

Our school is a very busy place with many students involved in the performing arts program, athletic program, intramural program and school clubs/team. Congratulations to all those students who have participated in these activities and shown the true spirit of TITANS.

On May 24th, 2018 the student council hosted its awards and barbeque. This was an opportunity to celebrate many students within our building and their accomplishments.

We wish the graduating class all the best in their future. You have closed one chapter of your life and are about to begin another. Always remember that character counts.

Just a reminder to parents that you can access your child's report card on the parent/student portal as we will no longer be distributing paper copies of the report card.

LOOKING AHEAD TO 2019-20

Registrations are now in for the upcoming school year. We are presently timetabling and planning class configurations. Once this information is complete, parents and students will be informed as follows:

- **For Grade 9 students in 2019-20:** Letters will be sent home in late August detailing the arrangements for the first day of school (September 4, 2019). Timetables will be distributed to all grade 9 students at school as part of the orientation to school.

- **For grade 10-12 students in 2019-20:** Letters will be sent home in late August. These letters will contain information about the first day of school (September 4, 2019). A copy of the student's courses can be found on the parent/student portal.

The school will reopen August 19, 2018. Counsellors will be available at the end of August by appointment only.

Student Council 2018-2019

Student Council News

The second semester has been just as busy as the first for our student council. We started off the semester by unveiling our “yellow is for hello” bench on January 24th, accompanied by a presentation by Sam Fiorella where he educated the students on the purpose of the bench and encouraged them to use the bench whenever they felt the need. A few student council members also attended his parent presentation the evening before which was very inspirational.

In February Titan Pride and TADD did a bake sale for Valentine’s Day. Titan Pride sold cupcakes that were coloured like pride flags and TADD sold candy bags, both were very successful and enjoyed by many students!

On March 14th we celebrated Pi Day by selling pizza at lunch. That evening was also TCI’s first Culture Night, organized by Umu Senesie and Jersalem Gebreezgi, and was a huge success! There was a bake sale, fashion show and dance presentation as well as informational booths about the different cultural backgrounds of the participants.

For the upcoming months we have organized a Masterchef competition that everyone is looking forward to, our final spirit week and grade wars, and as long as the Jets are in the playoffs we will have Whiteout days to celebrate and cheer on our team.

Counsellor's Corner - June 2019

Welcome to the Counsellor's Corner!

This year has been exciting and busy with lots of opportunities for students to participate in school activities as well as explore what their next steps might be after high school.

In the fall the University of Winnipeg, University of Manitoba and Red River Community College were here to talk to the grades 11 and 12 students about courses of study and programs that might interest them. Also in the fall, the grade 9 students participated in the national "Take Our Kids to Work" day – a great day to explore career possibilities!

Big Brothers/Big Sisters has had a successful year. We had 14 pairs of students from between Radisson, Joseph Teres, Westview and TCI participating in this mentorship program which met once a week, both the "Bigs and Littles" had a fabulous time building friendships this year.

October was the month that the *Online Safety and Drug and Alcohol Awareness* presentations by the Winnipeg Police Service happened. Students in every grade had the chance to learn key safety concepts regarding their online identity, profile and activity as well as receiving accurate and current information about drugs and alcohol.

In December the Counselling Dept. presented the *Everybody Matters - Suicide prevention* presentation to all grade 9 students. The goal was to empower them to take care of themselves, provide them with resources and self-care tools, and to reach out for support when needed. At the end of January 2019, TCI was one of several RETSD high schools to unveil the *yellow is for hello* bench – an initiative to foster peer to peer conversations that centered around putting down our devices and just talking to one another – helping each other feel more connected.

The grade 10 students participated in the Rotary Career Symposium in March, 2019, where they learned about a variety of post-secondary training options; interacted with a wide variety of business and trades people and learned what "a day in the life of ..." might look like.

The week of April 22 – 26, 2019 was our second Wellness Week initiative. The goal of the week was to help students make deeper connections between doing activities that bring joy and well-being and the positive impact this has on our mental health. Activities included cooking, drumming, building a playable instrument from scratch, yoga and meditation, art, laughter, and pet therapy.

Currently there are about 20 students and staff training for the *Love You Run For It* which will happen on Mothers Day, May 12th. It is a super opportunity to raise awareness about the connection between healthy living, exercise and mental well-being.

As we wind down the year we want to encourage everyone to do well on their final exams, and remember that we are here to help – exams can be a stressful time.

Have an awesome summer and take care of yourself – kindness to self and others is one of the greatest gifts you can give! Mrs. Young and Ms. Knutson

Titan Tavern will be closing its doors, for the year, on June 12th. Try to make it in for one last TCBY! The managers and staff would like to thank the students, staff and parents for patronizing the store this school year. We bid a fond farewell to our hardworking management team, who, this year, had the popular idea of selling noodles. Please remember to stop by the store in the fall to see what our new management team has in 'store.'

Titan Drama 2018 - 2019

IMPROV. SECRET

Who can't say "no", avoids asking questions and exaggerates all sights and sounds while aiming to be outrageous.

Sound familiar? Our Improv. team will reveal all on May 16 at 7:00 p.m. in our new Radisson Theatre. Join us if you have ever enjoyed radio or tv Improv. shows, to see how our stage structures measure up, or to just play an interactive part of the evening where audience suggestions guide the performances. With limited seating and change collection for admittance, it's the perfect high school escape offering guaranteed laughs. The talented cast is waited to aim their imaginations on all who enter. Doors open at 6:30.

TCI Dance Recital Spring 2019

Dance Students from grades 9 – 12 performed their Dance Recital in our newly renovated dance/drama theatre at Radisson School. All grades performed on May 21st. Students, some of them performing in dance for the first time, were proud of their efforts as they rose to the challenge. They certainly demonstrated their talents of choreographing and performing their own dances. We were also fortunate to have some International students join us in the performance. Audience members participated in the Social dances such as the Conga Line and the Macarena. Some showed off the flexibility in the Limbo Challenge. It truly was a great celebration of Dance.

Global Issues Spring 2019

GLOBAL ISSUES NEWSLETTER

SPRING EDITION

Since the second semester has begun, Global Issues has continued raising awareness for important causes in our world! We held a school wide *Vow of Silence*, where participants silenced their voices and wore a tie-dyed strip piece of fabric representing people who are silenced and are unable to express their opinion daily. For the remainder of the semester, we are planning on holding a pancake lunch with all proceeds being contributed toward the cause of sending medical aid to developing countries. In conjunction with the Leader-

ship class, we will be participating in a school carnival where we are hoping to bring in a goat to raise money for the "*Raise a Goat*" foundation. Global Issues is wrapping up the year by continuing to raise awareness for issues in our world.

Titan Credit Union

what is the tcu?

The Titan Credit Union is a branch of Casera Credit Union operated by a group of students as we run like any other credit union would (with the help of an excellent teacher!). Some of which are on the Board of Directors and the other members who contribute to our success are the staff. We have promotions each month to intrigue those who aren't members to make accounts and to show appreciation to those whom already have accounts. We are open all week except for Wednesdays!

Why make an account?

- Accessibility/convenience
- Save/prepare for future purposes
- Learn about money management
- Opportunity to earn rewards

PROMOTIONS

WE'VE HAD A VARIETY OF CREATIVE PROMOTIONS OVER THE COURSE OF THE YEAR. IN FEBRUARY, ONCE A MEMBER HAD MADE A TRANSACTION, THEY WOULD GET A CHOCOLATE KISS AND THEIR NAME ENTERED IN A DRAW IN WHICH AT THE END OF THE MONTH THERE WAS A CHANCE TO WIN MOVIE PASSES FOR TWO WITH POPCORN INCLUDED! WE'VE ALSO GIVEN AWAY HALLOWEEN TREATS, A 711 GIFTCARD, CHOCOLATE COINS AND CANS OF GINGER ALE! OUR CURRENT APRIL PROMOTION CONSISTS OF AN EASTER EGG HUNT IN WHICH ANYONE (MEMBER OR NOT) CAN RECEIVE SOME CHOCOLATE EGGS OR A PEEP AT THE END OF THE WEEK SO LONG AS THEY BROUGHT IN THE DECORATED, PAPER EGG THAT HAD BEEN PLACED AROUND THE SCHOOL BY THE BOARD MEMBERS!

[COME VISIT US IN ROOM 102!](#)

Want to be a part of the TCU?

What are the benefits of joining? Who consist of the TCU?

At the end of every year, the existing board of directors give the students of Transcona Collegiate an opportunity to be on the board for the TCU in the upcoming school year! The new board of directors then seek out students to join/hire to be the staff of the TCU which consist of a Branch Manager/ Assistant Branch Manager, Member Service Representatives (MSR/Tellers), Publicity and Promotions or the Loans Accountant. The Board of Directors and the new staff members get professional training at Casera Credit Union all for the same job. The Board of Directors come together to discuss promotions for the TCU as well as other topics of importance and the staff wonderfully do the job they were trained to do!

There are many valid reasons to become a Board of Director or a staff member. some of which include interaction/connections with other students, being involved within the school, professional job experience for the role of an MSR (which is good for resumes!), banking experience, a grade 12 40s credit and many more! Consider applying, you won't regret it!

The growth in his game began to really show in February becoming a constant scoring threat for the Titans averaging more than 15PPG for the month. He was outstanding in both KPAC and tournament action, closing the year in the North/South Showdown where he was top 10 in Minutes Played, Steals, and 3PT FGs made. How to Ace your Exams!

These are the top ten things that you need to know to ace exams!

- 1) **Give yourself plenty of time.** Cramming doesn't work. It just doesn't. When you start to study weeks ahead, you have plenty of time to read everything. It also gives you time to ask questions about anything you don't fully understand.
- 2) **Use an Agenda.** Write your study time in your agenda, even if it's only 20 minutes a night. An agenda is one of the best organizational tools you have to help you prepare for your exams.
- 3) **Set up a study stadium.** Okay, it doesn't have to be an actual stadium—just an area where you can leave your notes, your pencils, and your dictionary. A place where you are comfortable and where there is little distraction—that means no TV or blaring music!
- 4) **Look at the big picture.** How many pages in total do you have to study? How much time? If you have 50 pages to cover in 10 weeks, then that is only 1 page a night on weekdays, with weekends off. That's not so bad! You can even write down what pages to study on what night.
- 5) **Study a little bit every night.** When you start early enough you can easily avoid the stress and anxiety of pulling an all-nighter. And, you can move at a steadier pace—20 minutes a night is easier to handle than 7 hours the night before. By the week before the exam you'll have read everything at least once and you'll be prepared!
- 6) **Make your own notes.** Look at the chapter or unit or section. What are the titles, heading and subheadings? Are there any bolded words? Write these down. These are key words, and they are great indicators to help you know what the material is about.
- 7) **Put it in your own words.** This is known as paraphrasing and it's a great technique to help you really understand the material. Memorization and rote repetition? That's for robots! You need to understand the material to succeed!
- 8) **Cover, recite and check.** But how do you paraphrase? It's as easy as reading over a page, a paragraph, or a sentence, then covering it up, and saying it back in your own words!
- 9) **Don't study the stuff you know well.** Start with the most challenging sections and move on from there. There is no point studying material that you are confident you know. A quick review to make sure you remember everything is enough.
- 10) **Make classroom time active learning time.** The best study tip is one that doesn't even involve studying, but happens way before studying—in the classroom. The secret to easy studying is to be an active learner in the classroom. Raise your hand. Ask questions. Participate in discussions. Don't just sit and wait for the teacher to teach you, get involved in learning!

The more responsibility you take for your education, the easier studying (and learning) will be!

Nov. 27, 2018

Dear Parents/Guardians,

We are writing this letter to advise you of a recent policy change regarding vaping in River East Transcona School Division. Vaping, and vaporizer devices such as electronic cigarettes are no longer allowed on school or school division property or at a school related activity or function.

"Vaping is the act of inhaling and exhaling a vapour produced by a vaping product, such as an electronic cigarette. This vapour is often flavoured and can contain nicotine." (Government of Canada)

Vaporizer devices, such as electronic cigarettes, can also be used to vape cannabis, nicotine, THC liquids, and other drugs in a way that is difficult for observers to detect (there is little odour or obvious sign of these prohibited substances).

The Government of Canada regulates vaping products sold in Canada via the [Tobacco and Vaping Products Act](#). It's important for parents and caregivers to know, it is illegal to sell or give vaping products to anyone under the age of 18.

With the health, safety, and social and emotional well-being of all students in mind, the RETSD board of trustees has approved and amended policy **JICG-R Electronic Vaporizer Devices and Tobacco** to prohibit vaporizer devices and related products on school or school division property or at any school sanctioned activity or function.

Any student in violation of this policy is subject to discipline that may include suspensions.
