DAY 1

SHAD Canada

Will be joining us **virtually at noon** for an interactive design-thinking challenge. SHAD is a national STEAM and entrepreneurship program for grade 10 & 11 students, and this session is a great way to see what it's all about. Come join us at lunch in room 212!

Hearken, fair students! Dost thou long to craft warmth with thine own hands?
Then report thy noble self to **Knit Happens** at the stroke of noon today in Room 118.
Together we weave treasures to bestow upon those in need. To knit, or not to knit? There is no question.

Today is Trans Day of Remembrance

The Q&A wants to take this time to honour and remember transgender and gender-diverse people whose lives have been lost to violence and discrimination. It's a day to reflect, to show support, and to recommit to making our school a safer, more inclusive place for everyone.

The Q&A invites all students and staff to take a moment today to stand in solidarity with our transgender community members, to practice kindness, and to remind each other that everyone deserves safety, respect, and dignity.
