

KEC STUDENT BULLETIN

Tuesday, February 24th

DAY 2

Today's new O' Canada recording, features a land acknowledgement that was written, recorded and digitally edited by KEC's Honesty McKellar.

The O' Canada was sung by Tony Nganda (pronounced "nnnn gan dah") and his recording technician and editor was Melissa Pauls. Ms. Isaac-Martens has digitally re-mastered all of them to suit our school's PA system- which is a little bit different than the headphones we are used to using in the class.

Calling all MUNA members!

A reminder that there is a MUNA meeting TODAY at lunch in room 109.

Sign Language Club

Have you ever wondered what it's like to communicate without speaking?

Well, the Sign Language Club is a welcoming space where students come together to learn the basics of sign language— no experience needed. This club is for anyone who wants to try something new, learn a useful life skill, and better understand how people communicate beyond words.

The first meeting is TOMORROW @ lunch in room 207 (graphics lab)
