## Les Nouvelles de l'École Centrale

December... how did that happen?

Happy last month of the 2025 year!! Time is moving so quickly- it is hard to believe that we are almost halfway through the school year. I cannot believe we are already preparing for the frosty winter season and Winter Break at the end of the month. It has been an amazing Fall term at École Centrale. Thank you for your continuous support in our child learning.

We are looking forward to our Winter Music Concerts in the coming weeks. Mme Poiron and all kindergarten, grade 1 and grade 2 students have been practicing for their performances. Information has been sent home already about the details, but a reminder will be coming home closer to the date. If you have any questions, do not hesitate to reach out to your child's classroom teacher or Mme Poiron. You are invited to bring in non-perishable items for donation to the local food bank, we will gladly accept these items during our concerts. Donation bins will be set up by the gym. On behalf of our community, thank you.

A great big thank you to Parent Advisory Council for the wonderful treats that were provided to staff on November 21 after parent conferences, what a delight!

merci!

## Les Nouvelles de l'École Centrale

The school is looking great, and our students are starting to add artwork to their new bulletin boards as well. Take notice as you walk through the halls of École Centrale during our Winter concert season.

Cold Weather is coming. Spending time outdoors is an integral part of the school day. There are great benefits when children experience fresh air, exercise and time spent time outside. Outdoor play is also a break from the structure of the classroom. Depending on the weather, preparing for outdoor play in Winnipeg can mean anything from applying sunscreen to wearing mittens and a hat.

During winter, it is important that children come to school prepared for the cold. Students should wear winter boots, water resistant mittens/gloves, ski pants and toque/hats. It is a clever idea to pack extra mittens, socks, etc. in case they are needed.

**Polar Bear Recess** As part of River East Transcona School Division, your child's school will be implementing a Polar Bear Recess Club. Polar Bear Recess is an activity that permits students to go outside for recess when they would typically be indoors. The school and the division believe that providing students with as many opportunities as possible to be physically active is an important aspect of life. By implementing a Polar Bear Recess Club strategy, we will be allowing students, with parental consent, to have additional outdoor time when otherwise temperatures/windchill would dictate an indoor recess.

### Principles:

- Participation is voluntary.
- Parental consent required.
- Students who have consent can participate in all or none of the recess breaks; this is limited to AM, noon, and PM recesses.
- Students must be dressed appropriately. This includes a warm toque/hat; snow pants; face covering; warm, insulated jacket; mittens; and snow boots.
- Students can go back inside at any time.
- Staff supervision will be provided.
- All students will remain inside when the temperature/windchill is  $-40^{\circ}\text{C}$  or below.

I want to wish you all an incredibly Happy Holiday Season and hope you all enjoy a wonderful, healthy, and relaxing winter break! See you in 2026! Classes resume **Monday, January 5, 2026 (Day 5, ODD day Kinder Classes).**

# Christmas Hamper

## École Centrale: Christmas Hampers

Dear École Centrale Community,

As the holiday season approaches, we are excited to launch our Christmas Hamper Drive to support families in need within our school community. This initiative is a wonderful opportunity for all of us to come together and spread some holiday cheer!

We are kindly requesting your participation in contributing to our Christmas hampers for École Centrale families who could use a little extra help this season. If you wish to contribute, please refer to the following guidelines for each grade level:

**Grade One** – Pasta and Rice

**Grade Two** – Canned Fruits and Vegetables

**Grade Three** – Soups and Sauces

**Grade Four** – Canned Proteins (Beans, fish, meat)

**Grade Five** – Snacks and Treats

Additionally, our teachers will be donating gifts and toys to ensure that all children have something special to unwrap this holiday season.

Please also note that École Centrale is a nut-free facility. We kindly ask that you avoid donating any nut-based items to ensure the safety of all students.

Together, we can make this holiday season brighter for our École Centrale families.

Thank you for your kindness and generosity!

Warm regards,  
École Centrale Staff

## Scholastic Book Fair

Our Scholastic Book Fair was a HUGE success! Not only do all purchases made at the Book Fair help to foster a love of reading for your family, but 40% of sales are returned to our school in Scholastic Dollars to support our school library and classroom libraries so that all students may benefit.

## Library Services

Looking for ways to support your child's learning at home? Visit our school website, <https://ec.retsd.mb.ca> to access 'Our Library' and 'Library Services for French (all levels) and specific to Early Years. Included are resources to support reading, listening and viewing, research and exploration, educational games, and French language tools.

## SORA

Access to hundreds of E-books and audio books through your child's RETSD login credentials. Titles are available for all ages, in English, French, Ukrainian, Punjabi, Tagalog, and more! Contact your child's classroom teacher for their RETSD login credentials.
