Principal's Report - R. Reyes

Welcome to a New School Year!

Wayoata students and staff have had a great start to the school year! Staff returned Sept 2nd for a coordinated day and engaged in meetings, URIS training, and prepared for the return of students. Once again, we really enjoyed having our Meet the Teacher Open House on the evening of the coordinated day, so that we could see our students and families, allow students to meet their teachers and see their classrooms, and families could visit many important learning spaces around the school and learn about Wayoata's beliefs and practices! This was also a great way to help alleviate some of the anxiety that is natural at the beginning of a new school year! Students then returned Sept 3rd already knowing who their teachers are, where their classrooms are located, and we had a very smooth and positive start to the 25-26 school year! On Sept 3rd, we also had 2 short school-wide assemblies - one to welcome new students, introduce new staff, and review/practice recess expectations, and the second to review lunch expectations and introduce our lunch supervisors.
